SECOND DAY, FRIDAY, AFTERNOON SESSION

DEVOTIONAL SERVICE—Hymn "Take the Name of Jesus With You" was sung and William Knox led the conference in prayer.

REPORT OF THE PENSION FUNDS, INC.—The report was presented by Frank L. Shaffer, amended and adopted. See reports.

EXPRESSION OF APPRECIATION—The following resolution was presented by Rowland Aspinall, Chairman of Pension Funds, Inc. and was adopted by standing vote:

"It is with much regret that we learn that Dr. Frank L. Shaffer, our efficient executive secretary of Pension Funds, Inc., has accepted the vice-presidency of the Westminster Theological Seminary, Westminster, Maryland, and will no longer be available as executive secretary of Pension Funds, Inc., in the West Virginia Annual Conference.

"Brother Shaffer's decision comes as a distinct shock to those of us who have been privileged to work with him in this cause, as we have come to associate him as an invaluable leader in this very important work, which is so very vital to the welfare and happiness of our ministers.

"The securing of the subscriptions of over one million dollars and the collection of nearly \$925,000.00, for the Reserve Pension Fund, is the outstanding achievement of this conference. To Brother Shaffer as the director of this great movement, we pay our highest tribute of praise and gratitude. It was largely because of his genius as a leader in all that that word implies, that the great results have been accomplished. His leadership has been outstanding in every respect—his every attention to detail, and what a vast amount there was, his great skill as a promoter and organizer, his splendid vision of the whole project, his wealth of information of the plan, and its scope, his outstanding ability as a speaker to inspire enthusiasm and zeal in others for the cause, his unfaltering faith in the success of the

enterprise, his unfailing energy, his confidence in his fellow-workers, his unfaltering courage, which enabled him to face every difficulty and his tenacity to overcome them, and above and beyond all else his humble faith in his God.

"It was Brother Shaffer's enthusiasm and faith in his brethren of the ministry and laity that made success a certainty.

"His knowledge of the pension question and successful achievements in that field have attracted the attention of leaders in other conferences and he has given valuable aid in a number of them for which we are justly proud.

"It was one of the goals in his work for the pension fund to create a situation which would greatly aid the making of good ministers in relieving them from the anxiety of want and privation when their active days as a pastor are ended.

"Our sincere gratitude and heartfelt appreciation are extended to Brother Shaffer. The pension cause in our conference will miss his leadership, but we know this cause will ever be close to his heart and that his help will always be available and cheerfully given. We bid him God Speed in his work in the pastorate and in his effort to make possible the training of more young men and young women for our ministry."

ABANDONED PROPERTY—The following resolution on the Disposition and abandonment of Church property was presented by R. H. Daugherty and on motion adopted:

BLUEFIELD DISTRICT

At the Quarterly Conference of the Roderfield charge held May 10, 1950, action was taken in accordance with paragraph 255 of the 1948 Discipline seeking authority from the Annual Conference to abandon the Marytown and Big Sandy;

Whereas

Methodist pastors have served the Marytown and Big Sandy communities on the Roderfield charge over a period of many years with the result that we now have fewer than half a dozen members at these two places and the attendance on preaching services is discouragingly small and

Whereas

We own no property at Marytown and Big Sandy, using buildings provided by the coal company which are also open to the various sects who operate in the two communities, causing constant strife and unpleasantness and embarrassment to our pastor, be it

Resolved: that we respectfully seek permission from the Annual Conference to abandon the Marytown and Big Sandy points on the Roderfield charge and enable our pastor to give his full time to Roderfield and Premier at which two places he receives much more encouraging support in his work.

BLUEFIELD DISTRICT

At the Quarterly Conference of the Berwind charge held May

14, 1950, action was taken in accordance with paragraph 255 of the 1948 Discipline seeking authority from the Annual Conference to dispose of the church buildings at Newhall and Cucumber.

Whereas

Methodist pastors have served the Newhall and Cucumber churches over a period of approximately twenty-five years, and the Methodist membership of each church at the present time does not exceed four and

Whereas

The Christian Alliance denomination has for a number of years kept deaconesses at work in the two communities who are still there, and who have considerable local following, and who consistently embarrass the Methodist pastor by refusing to cooperate with him and by speaking against him and against the Methodist Church, be it

Resolved: that we respectfully seek the permission of the Annual Conference to abandon the Newhall and Cucumber churches and to sell the properties and apply the proceeds from such sale to the cost of enlarging and remodeling the Berwind church.

A Division having been made in the West Morgantown Circuit, it was decided to sell the parsonage which had served as the dwelling house of the minister of the several churches comprising that charge. A dispute arose as to the proper disposition of the proceeds of sale among the various churches constituting the circuit. Accordingly, in compliance with the requirements of the Discipline, an impartial committee was appointed to make distribution of the proceeds of sale. The District Committee met, heard the evidence and contentions of the various claimants, and made its recommendation. Some of the churches expressed dissatisfaction, and, although no written appeal has been made to the Annual Conference, and no specific grounds of objection made known, the oral objections have been treated as a formal appeal, in accordance with the Discipline.

This Committee of the Annual Conference reports that it has reviewed the matter, considering all available material and finds:

1. That the District Committee was properly constituted according to the requirements of the Discipline of the Methodist Church,

2. That the District Committee gave thorough consideration to all proper matters, and made a finding which, in the opinion of this Committee of the Annual Conference, is reasonable and proper.

Accordingly, this Committee recommends to the Annual Conference that the report of the District Committee be affirmed and adopted as the section of the Annual Conference.

Respectfully submitted,

The Committee.

REPORT OF THE CONFERENCE COMMITTEE ON THE ADVANCE FOR CHRIST AND HIS CHURCH

1. OUR FAITH.

The first period of the Advance for Christ and His Church ends with June. The emphasis during this first period has been upon our supreme need — "Religious Faith, what we believe and to whom we are committed".

The *Action Schedule* of this first period November 1949 through June 1950 was two-fold.

First: To lift World Service giving to 33⅓ percent over 1944 this level being more nearly commensurate with contemporary needs.

Second: To set up and approve Specials at home and abroad.

The West Virginia Conference has met the first objective. We have increased our World Service giving 33⅓ percent.

Also your Conference committee has carefully approved a list of Specials amounting to \$500,000. This list has been printed in a booklet "West Virginia Methodists are Going the Second Mile". This booklet has been distributed on a basis of one booklet to every two members which we deemed would average easily one to a family.

Our Conference has raised \$93,875 on these Specials during this year, this amount added to the \$27,918 raised last year makes the total for the first period \$121,793. This is encouraging but we are considerably behind schedule on the total of \$500,000 which was our proportionate share and, therefore, our goal by June 1952.

2. OUR CHURCH.

Beginning in October we enter the second emphasis in the Advance. In this period we hope that our people across the world will come to more fully understand the nature of "Our Church — the body of Christ". This emphasis will run October 1950 to January 1951.

3. OUR MINISTRY.

Our ministry — its divine summons to complete dedication is the emphasis February 1951 through June 1951.

Details on these two emphases for this coming Conference year will be announced soon. Materials are being prepared.

4. SEND MONEY FOR ALL SPECIALS TO CONFERENCE TREASURER.

Please send money for all Specials to the conference treasurer.

This includes specials adopted before the Program of Advance was inaugurated. This will keep our proper ratio at the Conference level.

NOTE: Since there are now enough specials which are not directed we are now easily able to maintain our ratio. Therefore, we can now move "Directed Specials" through our Conference Treasurer without delay.

R. MOORMAN PARKER,
Chairman.

**THE BOARD OF TRUSTEES
OF THE
FRANCIS ASBURY EDUCATIONAL FUND**

The Board of Trustees of the Francis Asbury Educational Fund believes that it is carrying on an excellent work in providing financial assistance to full time students for Christian workers for our church by furnishing scholarship loans to those needing them. The good done by this board is limited only by the moneys received by the fund from various sources. The amount received from Student Day offerings should be greatly increased. This could be accomplished easily if every church would take an offering on this day. The trustees are deeply grateful to all who have in any way helped to support and publicize this cause during the past year.

During the conference year 1949 - 50 loans have been made to 24 different students, amounting to \$4,480.00.

The Board of Trustees recommends:

1. That the name of this fund be corrected to read "The Francis Asbury Educational Fund".
2. That Student Recognition Day be observed as Methodist Student Day also, and that 75% of the offering received be applied to the Francis Asbury Education Fund.
3. That a Francis Asbury Educational Fund Secretary for each district be appointed by the cabinet.
4. That H. R. Howell be retained as treasurer and that he be made a member of the Board of Trustees.
5. That John E. Hanifan, A. J. Young, and V. R. Gillum be re-elected as trustees for the term expiring 1953.

The Board further proposes to operate under the following policy and recommends that the conference approve and adopt it as the standard operating procedure for the board:

1. The Board shall meet annually during the last week in August.
2. The Executive Committee shall consist of the Officers of the Board and two other members elected by the Board.

3. The Executive Committee shall meet on call of the Chairman.
4. The Executive Committee shall pass on all applications made for loans at such times that they cannot be handled at the annual meeting.
5. The final dates for submitting applications for loans for the first semester of the school year shall be August 15, and for the last semester January 1. Exceptions shall be made by the Executive Committee in clearly recognized emergency cases only.
6. Priority for loans shall be recognized in the following order:
 - a. College students from the West Virginia Conference preparing for the ministry or other full time Christian service.
 - b. Seminary students from the West Virginia Conference preparing for the ministry or other full time Christian service.
 - c. College and Seminary students from outside the West Virginia Conference who are planning to serve within the conference.
 - d. Worthy lay students from the West Virginia Conference.
7. The recommendation of the pastor, the quarterly conference and the district superintendent shall be required.
8. The maximum allowed for one school year shall be \$200.00 while the student is in college, and \$150.00 while in seminary.
9. Scholarship loans shall not be made to anyone in years when their income, if single, is more than \$1,000.00; or, if married, more than \$1,000.00.
10. Lay students shall pay back the full amount borrowed with interest at 5%, which interest shall begin upon the completion of their education. College and seminary students for the ministry or other full time Christian Service shall be given double credit for the money borrowed as it is repaid. Interest shall not be charged students for the ministry or other full time Christian Service on any amount paid within five years after finishing their education. Interest shall be paid in full at 5% on any amount unpaid at the end of the five year period and until the entire loan is paid in full. If a ministerial beneficiary of this fund leaves this conference before giving five year's service to the conference, he shall pay the amount in full with interest at 5%. These provisions shall not be made retroactive.

Signed:

C. E. BRANDT, Chairman
S. AZO F. WAGNER,
Vice-Chairman
A. D. BELCHER, Secretary

BROTHERHOOD

The Brotherhood Commission met in the City Auditorium, Charleston, West Virginia, at 4:30 P.M., June 8, 1950.

Dr. J. D. Engle, President, called the meeting to order and led in prayer.

The report of the Secretary-Treasurer was read and approved.

Attention was called to the minutes of the previous meeting held in Parkersburg, which are recorded in Pre-Conference Report, and also to New Constitution to be voted on at this Session of our Annual Conference.

Several matters pertaining to new members, plan of re-instatement, etc., were discussed, but it was the judgment of the Commission that the Constitution sets forth the terms and conditions as well as would seem advisable.

The President was asked to contact Secretary of Cabinet concerning nominating 7th member of Commission.

Those present were Dr. J. D. Engle, President, Vice-President Dr. C. E. Brandt, J. H. Parks, Austin Bagshaw, Mack Thomasson, and W. A. Debar, Secretary-Treasurer.

There being no further business, the Commission adjourned to meet at the call of the President.

MORTUARY CLAIMS: Immediately upon proof of the death of a Member, a check shall be drawn in favor of the Beneficiary in as large sum as the Funds in the Treasury may warrant, but not to exceed \$500.00. Provided, that no Benefice shall amount to more than the sum-total of all payments received on the corresponding Call, less necessary expense of administering. If first check be a partial payment of the Benefice, the balance shall be settled as soon as possible, or within ninety days. All payments over the sum of \$500.00, shall be added to the reserve, and applied to reduce the number of Calls.

ARTICLE 5.

A RESERVE of \$1500.00 shall be maintained to insure prompt payments. When a check drawn for any purpose reduces the balance to less than \$1500.00, a "Call" shall issue.

ARTICLE 6.

Sec. 1. Auxiliary: Any Minister who is a Member of the Brotherhood, may choose the Auxiliary Relationship for his wife. This will provide a sum of \$300.00 for her Beneficiary at the time of her death. It is understood that the husband of the Auxiliary Member is her Beneficiary. In case of his prior death, she may elect to carry this protection in favor of "her next of kin".

Sec. 2. Age rulings and Calls for the Auxiliary shall be governed by Article 3 of this Constitution.

Sec. 3. A reserve of \$700.00 shall be maintained in the Auxiliary Treasury and calls shall issue only when reserve drops below the \$700.00. The Auxiliary Fund shall be kept separate from the regular Brotherhood funds, and shall bear its own expense.

ARTICLE 7.

Sec. 1. Officers. Seven Members of the Brotherhood shall be elected by the Annual Conference at such time and in such manner as the other Conference Boards and Commissions, and shall function as a Conference Brotherhood Commission, organizing and electing from their own number: President, Vice President and Secretary-Treasurer.

Sec. 2. The Commission shall be competent to transact all Brotherhood business.

Sec. 3. All Officials, excepting the Secretary-Treasurer, shall serve without compensation. The Secretary-Treasurer shall receive \$100.00 per annum as an Honorarium, which will include office help. He shall be bonded in the amount of \$2000.00. He shall be allowed necessary funds for expense in administering and preserving the integrity of all Brotherhood Funds.

ARTICLE 8.

Certificates: Membership Certificates shall not be sold. They are not negotiable. The "Membership Card" on file with the Secretary-Treasurer is the Brotherhood's sole and sufficient authorization as to Beneficiary. A new card will be furnished any Member desiring to change his Beneficiary, and this change will be effected without cost. This applies, as does this entire Constitution, both to the Brotherhood and to the Auxiliary.

ARTICLE 9.

Arbitration: The Brotherhood is purely Fraternal. Each Member, for himself, his heirs, executor and assigns, agrees that no action at law shall be taken before any civil court. In all cases of differences, where agreement cannot be effected, arbitration shall be had. The President of the Brotherhood shall appoint one arbiter, the Contestant another, and these two a third. The verdict of such arbiters shall be final.

ARTICLE 10.

This Constitution shall become effective when ratified by the vote of the Annual Conference. Change or amendment may be made on recommendation of the Commission and the vote of the Annual Conference.

REPORT OF COMMISSION ON CHRISTIAN VOCATIONS

The Commission on Christian Vocations was set up by the Annual Conference of 1949. The purpose of the commission is to develop a Christian philosophy for all good work and to enlist and help train young people for Church Vocations.

This year the commission has registered 152 young people in this area. Of this number 91 state that they have definitely made up their mind to enter Church Vocations for full time service. The choice of vocations selected by the 152 young people are foreign missions—13, home missions—24, ministry—45 (two girls included), ministry of music—5, director of religious education—18, youth director—12, recreational director—2, professional work in hospitals—7, journalism—1, children's director—8, teaching for the Church—6, and indefinite in vocational choice—11.

This year, December 28-31, at West Virginia Wesleyan College a Conference on Christian Vocations was held. Forty of the above number of young people and twenty-two adults including the staff attended. This counseling conference gave help to twelve young men interested in the ministry, ten young people interested in home missions, four in foreign missions, three in professional work in hospitals, and twelve in directors of religious educations. It was through the co-operation of the Conference Woman's Society of Christian

Service, the Board of Missions and Church Extension, the Board of Christian Educations and Conference Methodist Youth Fellowship, the Board of Ministerial Training and the Board of Hospitals and Homes that this splendid experience and training was made possible. The General Boards and the Woman's Division of the Methodist Church provided leaders representing their respective fields which made possible a very high type of leadership. A detailed report of this conference is in circulation.

Plans are being made for a Conference on Christian Vocations for this year. Seventy-five of these interested young people will be permitted to attend. Those who were present at the one last year are especially urged to attend this year.

The Charleston District held a conference on Christian Vocations on March 24-25, at Morris Harvey College with forty young people in attendance. Their conference gave help in the fields of the ministry, missions, director of religious education, ministry of music, and for those who were undecided concerning their vocational choice.

Young people registered with the Commission on Christian Vocations by districts are: Beckley—6, Bluefield—24, Buckhannon—18 (four from other districts but are in school at Wesleyan), Central—5, Charleston—27, Fairmont—19, Huntington—16, Lewisburg—6, Moorefield—11, Parkersburg—5, and Wheeling—15.

Respectfully submitted,

MRS. A. J. YOUNG, Director

REPORT OF SPECIAL COMMITTEE TO STUDY THE POSSIBILITY FOR AND FEASIBILITY OF A CONFERENCE PAPER

At the September 21-25, 1949 Session of the West Virginia Annual Conference, a committee composed of Walter S. Overstreet, Executive Secretary of the Board of Education; J. C. Jarvis, Chairman of the Board of Missions and Church Extension; Fred Oxendale, Chairman of the Commission on Evangelism; Frank L. Shaffer, Executive Secretary of Reserve Pension Fund; W. Foss Curtis, Conference Lay Leader; Mrs. B. W. John, President of West Virginia Conference Woman's Society of Christian Service was appointed to study the possibility and feasibility of a Conference Paper. After the close of the Annual Conference, Bishop Lloyd C. Wicke, as suggested in the resolution, appointed one layman, Mr. D. R. Helmick, as a member of the committee.

Your committee has considered seriously the possibility for and the feasibility of a conference paper. Many investigations have been made during the conference year. The official publications of other Annual Conferences have been examined. Reports have been secured from other conferences on the cost, circulation statistics, methods of support, etc., of official Conference Publications.

After careful study, your committee feels that there is *some* but *not a general demand* on the part of West Virginia Methodists for a Conference Publication. However, the committee feels that a Conference Publication, either weekly or monthly, would meet some existing needs.

In the next place, your committee has faced the objections which must be considered in the creation of a Conference Organ. In the first place, whether the Conference Organ be a weekly or monthly publication, of necessity, there would have to be a vigorous subscription campaign in each district. It has been suggested to the committee that if a Conference Organ is created on a weekly basis that the cost of a single subscription for a year would be \$2.00 and if it is a monthly publication the cost of a single subscription would be \$1.00. Your committee has brought together all the statistics available and finds that in either a weekly publication or a monthly publication, it would be necessary to have between twenty and twenty-five thousand subscriptions to meet the budget which would be required for such a publication. This obviously would necessitate a major subscription campaign in each district of the Conference.

The second objection that your committee was forced to face is the fact that according to the latest information available few, if any, Conference Publications are self-supporting. Where Conference Publications are issued, for the most part, it is necessary to subsidize the publications through Conference Benevolences on a direct grant from the Commission on World Service and Finance or by subsidies by various boards and agencies of the Conference. Your committee has been unable to find a single Conference where the Conference Paper is self-supporting. These Conference Publications require subsidies that range from a few hundred dollars to many thousands of dollars. During the years of 1944 to 1948 the Virginia Conference subsidized "The Virginia Christian Advocate" each year in amounts ranging from \$5,500 to \$8,435 on a direct grant from the Commission on World Service and Finance. It is almost impossible to operate any Conference Publication on the basis of subscriptions and advertising alone. There must be subsidies.

Third, your committee faced the realistic fact that any campaign whether it be inexpensive subscriptions to the now existing "Christian Education Bulletin" or whether it be a subscription campaign for a new Conference Publication would mean a decrease in the number of subscriptions to "The Christian Advocate" — our General Organ.

Your committee faced the following alternatives to the creation of a weekly or monthly Conference Publication. In the first place, there was a suggestion that a subscription campaign be conducted for the now existing "Christian Education Bulletin" and that the monies received from such new subscriptions be used to increase the size, the attractiveness and quality of the existing publication. These

subscriptions would not be used in any phase of the work now being carried on by "The Christian Education Bulletin". It was also suggested that if such a campaign be conducted, that the name of "The Christian Education Bulletin" be changed to "West Virginia Christian Advocate". However, the committee at this point faced the same objection as faced in the subscription campaign for a new publication. That is, that any subscription campaign will be difficult at this time and that such a subscription campaign would materially decrease the number of subscribers to "The Christian Advocate".

The second alternative proposed was that your committee commend Bishop Lloyd C. Wicke and the Cabinet of the Pittsburgh Area on securing the offer from "The Christian Advocate" for a monthly four-page supplement of Pittsburgh Area news. It is the understanding of the committee that each conference will appoint an editor who will be responsible for the getting of news from that conference. Your committee feels that this is an excellent suggestion and should be given a fair trial before any steps are taken to create a Conference Paper in the West Virginia Conference.

Your committee in facing the financial cost of a Conference Publication on a weekly or monthly basis made a preliminary investigation into a relatively new process known as "Offset Printing". This is a process much less expensive than printing and the initial capital fund outlay for equipment which would be necessary to publish a weekly or monthly publication would be approximately \$10,000. The cost of the machinery, that of approximately \$10,000, could be retired over a period of ten years. Your committee estimates that with a budget which includes \$1,000 payment on the principal plus interest on the capital investment in the machinery, plus office rent, salary of an editor, salary of an operator of the offset machine, together with office help, paper, mailing costs, etc. would necessitate an annual budget of approximately \$22,000, even with the more economical "Offset" method. It is easy to see that even with subscriptions and advertising such a budget would necessitate some subsidy. Certainly it would necessitate a very vigorous campaign for subscriptions.

In the case of a printed weekly Conference Publication the lowest possible budget considered by the committee was a budget of a little more than \$35,000. It is quite obvious that a vigorous campaign for subscriptions and advertising would be necessary and even in this case subsidies would be necessary.

With the above in mind, your committee recommends that this committee be continued for another year or that another committee be appointed to conduct further study into the entire matter, considering the various possibilities listed above.

In short, the recommendation of this committee that this or some other committee continue to study the possibility for and feasibility

of a Conference Paper. The committee to report to the next session of the West Virginia Annual Conference.

(Signed)

WALTER S. OVERSTREET,
Chairman of the Committee

REPORT OF THE DEACONESS BOARD

Within the borders of the West Virginia Conference there is being promoted a very beautiful and sacrificial service for Christ and His kingdom by the consecrated hands of four deaconesses and seven employed workers. COMMITTEE ON DISTRICT CONFERENCE JOURNALS

Paragraph 674 of our Discipline directs that the Secretary of a District Conference shall keep an accurate record of the proceedings and submit it to the Annual Conference for examination.

Paragraph 362, Sec. 13 reads that it is the duty of a District Superintendent "to have the records of his District Conference at the Annual Conference for examination."

Nevertheless the Journals of only Lewisburg, Charleston, Fairmont and Central Districts were brought to Conference. Your committee examined them and made suggestions for their improvement. The best kept journal is that of the Lewisburg District. Ross M. Evans is the District Secretary.

DURWARD BROWN,
Chairman.

S. B. F. CUNNINGHAM,

REPORT OF BOARD OF EDUCATION

The Board of Education of the West Virginia Conference is very appreciative of Bishop Lloyd C. Wicke, of the District Superintendents and every Minister and Layman of the West Virginia Conference for the splendid support that the cause of Christian Education has enjoyed within the West Virginia Conference during the

year now ending. Each member of the Board of Education feels a deep sense of gratitude for the splendid support and assistance we have received. Your Conference Board of Education is happy to report continuing progress in the different fields of Christian Education under its supervision.

It is with a deep sense of regret that we announce the resignation of Miss Roberta M. Hicks. This resignation was accepted by the Executive Committee and confirmed by the meeting of the Board of Education on May 1, 1950. Miss Hicks found that travel was extremely detrimental to her health. She was an outstanding teacher and a very effective Conference Director of Children's Work.

West Virginia Wesleyan College reports another splendid enrollment of 728 students of which 502 are Methodist. Included in the student body are 88 ministerial students and 22 persons majoring in Religious Education. West Virginia Wesleyan College continues to place special emphasis upon the religious life of the student body. Buildings, grounds, and equipment are valued at \$661,851.00. The college is located on a 50 acre campus and has a library of 33,000 volumes. The faculty is composed of 40 competent, Christian men and women. West Virginia Wesleyan College maintains a counseling service, a testing service and a placement service. The college is a member of the North Central Association of Colleges and Secondary Schools; is accredited by the University Senate of the Methodist Church; is approved by the University of the state of New York; is approved by the West Virginia State Department of Education. West Virginia Wesleyan College is a member of the American Council on Education; a member of the Association of American Colleges, and a member of the National Association of Business, Teacher-training institutions, and a member of the Student Health Association.

In the matter of the Capital Funds Campaign which is now in progress at West Virginia Wesleyan College, the amount of \$347,078 has been subscribed up to and including May 4, 1950, and of this amount \$77,909 has been paid up to and including May 3, 1950. The work is being carried forward most effectively.

The Department of Religion of Morris Harvey College shares in College Day funds. Morris Harvey is an independent Christian college, formerly a Methodist controlled school, and is located in Charleston, W. Va. This college has a very active Department of Religion with 37 ministerial students and a large number of students majoring in Religious Education. A large number of the ministerial students are preparing for the Methodist ministry and the support realized from College Day is helpful in maintaining an active Department of Religious Education for Morris Harvey College. The Department of Religion gives supervised development in the pulpit to ministerial students, seeks to enrich the spiritual experiences of laymen, and seeks to prepare laymen for better service in the Church. The De-

partment seeks further to give immediate assistance to student pastors, gives practical experience to ministerial students, and prepares ministerial students for theological seminary.

The Wesley Foundation at West Virginia University, Morgantown, W. Va. is striving in every way to minister to more than 2,000 Methodist students at West Virginia University. The Wesley Foundation is seeking to provide a home for those pupils away from their home church and seeking in the best possible manner to provide a tie between the home church and the student while he is away at college. Dr. T. LeRoy Hooper, Director of Wesley Foundation, and Mr. Joseph Johnston, Associate Director, are rendering valuable service to the Wesley Foundation and to the West Virginia Conference of the Methodist Church. The new, modern, up-to-date home of Wesley Foundation continues to draw visitors from many sections of our state. It is perhaps the most beautiful Wesley Foundation center in America today. Every night large numbers of students assemble for inspirational activities, fellowship and recreation. Special religious services are provided by the Wesley Foundation.

A committee has been appointed to investigate the possibility of the employment of a student worker or the organization of a Wesley Foundation at Marshall College, Glenville College and at Concord College. The West Virginia Conference of the Methodist Church must expand its services to its students on our various college campuses. The committee will report to the next session of the Annual Conference.

A varied and comprehensive leadership training program has been provided for the Methodists of West Virginia. During the period of time October 1, 1949 through May 1, 1950, 81 leadership training schools have been held with 522 classes, representing 2,381 pupils and with a total of 1,656 credits issued. To this number must be added the leadership training enterprises which will be held between May 1, 1950 and the time of the meeting of Annual Conference. Numerous non-credit courses were also offered. The West Virginia Conference still faces a great need in the matter of training of local church workers for more effective teaching and more effective leadership in the church school. In the field of adult work, there has been unusual activity this year. A number of group meetings have been held in the interest of adult work. Especially is your Board of Education happy to report that a number of new subdistricts in the field of young adult work have been organized. By the end of the next conference year, it is our goal and aim to have every subdistrict in the conference organized for young adult work. A splendid program has been arranged for a Young Adult Conference to be held at West Virginia Wesleyan College this summer. New Conference officers for the Young Adult Fellowship will be elected and installed at that time.

In the field of youth work, a full program of summer activities has been planned with splendid programs and outstanding leadership provided. One older youth assembly, three senior assemblies, eleven

district Christian Adventure Camps, ten Christian Life Camps and five local church camps have been provided for the summer season. Two Youth Caravans will serve in the West Virginia Conference this year and will serve a total of fourteen local churches. Eight young people from the West Virginia Conference will serve on Youth Caravans this summer with two adults serving as Youth Caravan Counselors. More than \$16,000 has been pledged to the Methodist Youth Fund on a full year basis. Of this amount, we will expect payments on only two-thirds of the total amount. It is evident from payments at the present time that during the eight months Conference year we will receive from the Methodist Youth Fund more than \$11,000. This is the largest amount ever to be subscribed and paid to the Methodist Youth Fund from the West Virginia Conference during a comparable period of time. Practically all of the forty-two sub-districts are organized and functioning for youth work. New officers of the West Virginia Conference Methodist Youth Fellowship will be elected at the various assemblies held this summer and they will be installed on the last day of the older youth conference, July 15, 1950. A splendid Recreation Laboratory was held in Johnson Memorial Methodist Church, Huntington, W. Va. with more than 150 youth and leaders in attendance. A Methodist State Student Conference was held at Jackson's Mill and more than 120 college youth and their leaders, representing a large number of colleges in West Virginia were present. The newly elected officers of the West Virginia State Student Movement were installed in the final session of the conference. There has been unusual activity in the field of student work. It is our aim and goal to continue this work until every college and university in West Virginia has a Methodist State Student Movement or Wesley Foundation. The Department of Youth Work of the Board of Education, along with the Executive Secretary of the Board of Education, participated in the promotion and execution of the plans for the Conference on Christian Vocations held at West Virginia Wesleyan College in December. A large number of one-day Christian Adventure Institutes were held for intermediates during the conference year. A number of Weekend Institutes were held for seniors and older youth. A large number of Youth Activities Weeks were held by various churches during the conference year. A Fellowship Team from each district will be trained during the summer months for service. These teams will be used in the districts from which the young people come.

In the Children's Division a report from the General Board of Education, Nashville, Tenn. indicates that during the last conference year the West Virginia Conference led all the conferences in Methodism in the number of Vacation Church Schools held, together with the number of pupils enrolled. This is a very high honor for the West Virginia Conference, but it does not mean that our task has been completed. Approximately half of the church schools of the West Virginia Conference do not yet have Vacation Church Schools. We need to reach these schools. Perhaps the outstanding achievement

in the field of Vacation Church School work this year was the Vacation Church School Institute promotion. Eleven such institutes were held, one in each district. There were 1,089 workers present representing 261 churches. We sincerely hope to have 700 Vacation Church Schools this year. Again this year West Virginia Wesleyan College will cooperate in making available the services of three young ladies for service in Vacation Church School work. The Board of Education will assist in the training of these young ladies for Vacation Church School work, the District Superintendent in which district the young ladies will work will provide the itinerary and program, and West Virginia Wesleyan College will provide a scholarship of \$150.00 to each person serving six weeks. The Conference Laboratory Children's Workers School will be held in connection with the Pastor's, Woman's Society of Christian Service and Christian Workers School, July 17-22, 1950. An outstanding program has been arranged. A number of children's workers camps and retreats have been planned for the various districts in the West Virginia Conference for children's workers. New members continue to enroll in the Fellowship of Study. These persons are making good use of the books in the library of the Conference Board of Education. Special emphasis has been placed on missionary education of children. Special emphasis has been given this year to week day religious instruction.

We are happy to report increased interest in the use of Methodist literature. Each time a report is received from the Methodist Publishing House it is noted that there is an increase in the use of Methodist literature and a decrease in the use of literature other than Methodist. A number of church libraries have been registered with the Publishing House this year and other church libraries have been established but have not yet been registered. Again this year we have done our utmost to cooperate with the West Virginia Council of Churches and Christian Education. The Board of Education contributes not only to the general budget of the West Virginia Council of Churches and Christian Education but also to the salary of a full-time Chaplain at Pruntytown. We feel that one of the finest means of promotion at the command of the conference staff is "The Christian Education Bulletin". From all sections of the conference, we have received testimonials as to the value of this publication. Only limited financial resources keep us from making it a finer publication. Throughout the year emphasis has been placed on our responsibility for reaching every person in the West Virginia Conference who is not reached by some church. We have cooperated to the fullest in the Advance for Christ and His Church and are vitally interested in the teaching program of "Our Faith". The West Virginia Conference Board of Education provides a news release service. News releases of interest to the Methodists of the West Virginia Conference are sent to the various newspapers of the state from time to time.

The Board of Education is gratified to report offerings on the following Special Days for the period October 1, 1949 through March

31, 1950, with the amount paid for the same period last year: Race Relations—\$2409.14—\$2836.15; Rally Day—\$1737.35—\$1767.56; Hospitals and Homes—\$3614.23—\$2737.61; Student Day—\$550.93—\$141.90; Fellowship of Suffering and Service—\$4532.51—\$5420.16; World Service Sunday—\$23,497.33—\$24,608.03; Day of Dedication—\$2869.40—\$1203.17; College Day—\$419.51—\$1198.95. In practically every instance, the total this year will be in excess of that paid last year.

**Statement of Fact and Authorization of Loan for West Virginia
Wesleyan College**

Mr. E. R. Jones presented to the Board the following statement:

"The building plans provide (1) for the erection, upon approval by the Trustees of W. Va. Wesleyan College, and the Annual Conference, of three buildings, Library, Loar Hall of Music and Fine Arts, and one Boy's Dormitory housing 100 students, at a total cost of approximately \$675,000, (2) the possible erection of a second Boy's dormitory, housing 100 students, provided same is authorized by the Board of Trustees of the college and it is found that such sum of money as may be necessary can be borrowed from the federal government under the provisions of the "Housing Act of 1950" and it can fairly be expected that such sum can be repaid out of gifts to the college for that purpose and out of operating income of the Boys' Dormitories."

The Board of Education approves the building plan proposed by the Building Committee of West Virginia Wesleyan College and recommends to the Annual Conference that it be adopted, and that the college be authorized to borrow such sum or sums as may be necessary for the project, and which may be approved by the Board of Trustees of the college, and to pledge by way of mortgage or deed of trust such part of the college real estate as may be required as security for the repayment thereof.

Mr. H. K. Lindamood to fill unexpired term of the class of 1952.

Unexpired Term 1951

Mr. Charles Haden to fill unexpired term of class of 1951.

Recommendations for Field Work

1. That the Board of Education continue to cooperate with the Pastor's, Woman's Society of Christian Service and Christian Workers School and that the amount of \$100 be contributed by the Board of Education to this school. We further recommend that a special effort be made to urge more of our pastors to attend the school.

2. That we seek to promote a wider observance of Rally Day, our goal being Rally Day observed in every local church with an offering sent to the Conference Treasurer marked "Rally Day Offering". That we set as a minimum goal for Rally Day the amount of \$5,000 raised on this special day. We have noted that each year the number of churches observing Church School Day on the fourth Sun-

day in March has diminished and the number of churches observing Rally Day has increased. With this in mind, we recommend that we discontinue the observance of Church School Day and urge all church schools to observe Rally Day on the second Sunday in September.

3. That all our church schools observe Religious Education Week during the designated week in September or October. Date to be announced.

4. That Student Day be observed with the understanding that the offering is to be set up in a budget to be divided as follows: 75% to the Francis Asbury Education Fund of the West Virginia Conference, 25% to the General Board of Education, Department of Student Loans and Scholarships. We recommend that the observance of Student Day be held on the Sunday following Christmas. Student Day will thus be observed with a three-fold purpose: recognition of college and university students home for vacation; lifting up the cause of higher Christian education; and for the receiving of an offering to be used as listed above.

5. That the Executive Secretary of the Board of Education be instructed in behalf of the Conference to keep in close touch with students from our conference attending Theological Seminaries and with our Chaplains.

6. That the conference staff and each district staff of Christian Education, together with workers in the local church, give whole-hearted cooperation to the "Advance for Christ and His Church".

7. That each district hold a Christian Adventure Camp, a Christian Life Camp and a Children's Workers Camp or All-day Retreat; that we seek to have in each subdistrict a Week-end Institute for youth and in each subdistrict a one-day Christian Adventure Institute.

8. That at least two Youth Caravans be used in our conference this year.

9. That Race Relations Day be observed in each local church with an offering for that cause.

10. That churches follow the Disciplinary requirement for observing the fourth Sunday as Missionary Sunday with an offering for World Service and with an appropriate program.

11. That we continue to hold at least three senior assemblies and one older youth assembly with the understanding that, if possible, the First Senior Assembly be held at Camp Caesar.

12. That we urge the use of Methodist literature in all our church schools.

13. That we continue the publication of "The Christian Education Bulletin".

14. That we continue to give our support to the Methodist State Student Movement*Conference held annually at Jackson's Mill.

15. That the fifth Sunday be observed in the church schools of the West Virginia Conference as Hospitals and Homes Sunday with an appropriate program and an offering received to be sent to the Bank of Milton, Treasurer, designated "Hospitals and Homes Offering".

16. That we continue our effort for the organization of a sub-district youth adult group in each subdistrict of the conference. The same applies to the organization of a subdistrict youth group in each subdistrict of the conference.

WEST VIRGINIA WESLEYAN COLLEGE PRESIDENT'S REPORT TO THE ANNUAL CONFERENCE

June 9, 1950

The resolution adopted by the Board of Education of the West Virginia Annual Conference in session in Charleston, May 1, 1950, was "The Board of Education approves the building plan proposed by the Building Committee of West Virginia Wesleyan College and recommends to the annual conference that it be adopted, and that the College be authorized to borrow such sum or sums as may be necessary for the project, and which may be approved by the Board of Trustees of the College, and to pledge by way of mortgage or deed of trust such part of the college real estate as may be required as security for the repayment thereof."

Mr. E. Ray Jones reported further, "The building plans provide (1) for the erection, upon approval by the Trustees of West Virginia Wesleyan College, and the Annual Conference, of three buildings; Library, Loar Hall of Music and Fine Arts, and one boys dormitory housing 100 students, at a total cost of approximately \$675,000, (2) the possible erection of a second boys dormitory, housing 100 students, provided same is authorized by the Board of Trustees of the College and it is found that such sum of money as may be necessary can be borrowed from the federal government under the provisions of the

"Housing Act of 1950" and it can fairly be expected that such sum can be repaid out of gifts to the College for that purpose and out of operating income of the boys dormitories."

The report of the Building Committee to the Board of Trustees of West Virginia Wesleyan College on May 29, 1950, was as follows:

"The Building Committee reports to the Board that it has secured from A. Farnell Blair Company, Incorporated, General Contractors of Atlanta, Georgia, the low bidder at the time of the opening of bids on February 21, 1950, an offer to erect the two units of the boys dormitory and the Pfeiffer Memorial Library at a total cost of \$676,078.22 plus the West Virginia Business and Occupation Tax and architects fees. The same firm has submitted an offer of \$656,793.62 for the erection of one unit of the boys dormitory, the Loar Hall of Music and Fine Arts and the Pfeiffer Memorial Library, the aforementioned tax and fees to be added.

After considering these offers and the various questions which have arisen with regard to the building program of the College, the Committee has determined to recommend to the Board that the College proceed with the erection of the one unit of the boys dormitory, the Loar Hall of Music and Fine Arts and the Pfeiffer Memorial Library.

To apply on the cost of these buildings the College now has approximately \$476,000, including approximately \$50,000 in cash from the current campaign. It will accordingly be necessary to borrow, at some stage in the building program, an amount which approximates \$200,000, which borrowing should be liquidated as campaign pledges are paid. Some commitments to loan this sum of money to the College have already been obtained and others are under negotiation. The Committee, therefore, further recommends that the Board approve the borrowing of such sum of money, not to exceed \$200,000, as may be necessary and that the proper officers of the College be authorized to execute such deed of trust upon the college property or such other papers as may be required.

It is, therefore, moved;

1. That approval be given to the program submitted by the Building Committee for the erection of three buildings, namely, the first unit of the boys dormitory, the Loar Hall of Music and Fine Arts, and the Pfeiffer Memorial Library.

2. That the proper officers of the Board of Trustees be authorized, by and with the advice of the Executive Committee and the Building Committee, to enter into such form of agreement as it may determine upon with A. Farnell Blair Company, Incorporated, of Atlanta, Georgia, for the construction of the three mentioned buildings at a sum not to exceed \$657,793.62, plus such sum as may be required for the West Virginia Business and Occupation Tax.

3. That the proper officers of the Board of Trustees, by and with the advice of the Executive Committee and the Building Committee be authorized to negotiate a loan on behalf of the College for such sum, not to exceed \$200,000, as may be required in order to finance the erection of said buildings and to execute upon behalf of the College a deed of trust or such other instruments as may be necessary therefor said deed of trust to be upon such part or all of the campus property as may be required by the lending institution from which said loan is obtained, and said loan to be upon the most satisfactory terms which said Committee and the officers of the Board can obtain, but the decision as to this to be within the discretion of said Committees."

This report was adopted unanimously by the Board of Trustees of West Virginia Wesleyan College.

THE DISTRICT SUPERINTENDENT'S REPORT

Bishop Wicke, Members and Friends of the West Virginia Methodist Conference: A Cabinet member, offering his counsel and sympathy to the one who presents this year the District Superintendent's report, made the following reflection: "If I were under the unhappy necessity of writing this report, I might try to become

suddenly ill or to break my leg so as to get out of doing it. Failing to devise some such method of escape, I think I would shun statistics which are neither heard with interest nor remembered longer than it takes to read them."

This composite report of your District Superintendents is intended to be non-statistical, although a few items of such a character appear. Reports will come later in the week telling through symbols of tabulated figures the story of the progress of our churches. These will be informative and for the most part very heartening. It will be pleasant to have our attention called to figure totals which indicate gains achieved. But much of the most vital part of Kingdom growth cannot be registered on tables or recorded in journals. So much escapes pen and pencil. The entire reading of the Annual Conference Year Book will not bring in the Kingdom—not even with the inclusion of the District Superintendent's Report.

May no pastor or layman, however excellent his church's report, suffer any loss of Christlike humility. Where there are deficit reports, may they be a constant, impressive reminder of the imminent dangers of complacency and smugness—even in churchmanship.

We record the passing from earthly comradeships to the fellowship of the Church Triumphant some of our brothers and sisters for whom we have already paused this afternoon to show appropriate honor. Lovely families, to whom they have left a worthy spiritual heritage, now honor their memory. A host of friends thank God for their Christian ministries. Vivid memories of them will continue to warm and cheer many hearts, memories flowing, like deep rivers, into life's spiritual ocean—the beautiful and infinite Kingdom of God.

The good share of the most effective leadership in our ministry has been given by men who have reached the retirement age and beyond, some of whom plan to leave the active relation at this conference session. These pastors have poured into the latter years of their services rich deposits of experience which many well-spent years in the pastorate have given them. With cheers of anticipation for the future, they now cast the prophet's mantle upon younger ministers who will bear it nobly and far. We say: "Hats off to the past and to all who have given it its greatness!"

Meanwhile, the recruiting and training, within the present quadrennium, of thirty-five hundred young, prospective prophets for the Methodist ministry, is among the most urgent of all the Advance For Christ undertakings. Over two thousand ministerial students are now in Methodist colleges and seminaries. Scores of these students are from West Virginia communities.

We commend the work of our Boards of Ministerial Training and Qualifications. Vision did not die when our fathers died. There is no need for shorter courses or lowered standards. We must see that all the factors for enlisting and equipping have stood the test of time.

The highest possible challenges are to be presented to youth who have the gifts for so great a service.

There is no comment relating to the Methodist Church more common than references made to short pastorates. Although this conference has some very creditable records in length of pastorates, it is the overwhelming judgment of our communities that "the Methodist parson is on the wing".

A long pastorate is not in itself proof of success, neither is a short one sure evidence of failure. However, the brief pastorate, as a habit of thinking on the part of pastors and churches, is doing the church, every year, a colossal disservice. Over our parishes there is an annual restlessness as certain as taxes. Thousands of laymen are asking this week, "Is our pastor returning?", or "Who is going to be our next preacher?", or, "Let's see if we can get so and so!" The pastors, too, are anxious. "Should I run the risk of putting in a garden?", one asks. If a pastor is not concerned about his own appointment he is curious to know what is going to happen to fellow ministers. This fidgetiness extends even into the annual session of conference, often dividing the attention and blurring the interest and judgments of both lay and ministerial members concerning the main business for which we meet as trusted custodians.

While the Methodist system makes change easy, it is not in Methodist policy, but in ourselves where the weakness lies. It is the failure of so many of the churches to make the best use of the provisions set up. The Pastoral Relations Committee, for example, is a provision in the local church mainly to preserve and enrich pastor-parish ties. Too often that important group limits its work to a final analysis of the minister in the closing days of the conference year. This annual tribunal idea ought to be discouraged by pastors and laymen everywhere. The Pastoral Relations Committee should be defined as being, at least, a team of laymen whose duty and honor it is to keep up the spiritual temperature of pastor and parish. It is always in friendly and frequent reciprocal council where ministers and church find their stability and Christian greatness.

The concern of the Methodist Church is for souls, and in every section of our conference we have been witnessing again that

"Down in the human heart, crushed by the tempter,
Feelings lie buried that grace can restore;
Touched by a loving heart, wakened by kindness,
Chords that were broken will vibrate once more."

Though public and personal evangelism of people, from many levels and conditions of life, all of them needing the Saviour, have been claimed for Christ and gathered into our churches. The source-springs of all healthy souls and radiant churches are in this two-fold evangelism. The public revival reaching, in most places, only a relatively small number of the unconverted, *serves to filter and fiber the souls* of the church members. Personal home evangelism counts, honors and gets

busy with, in a very special way, the individual and the family. Each method contributes to the other, and the two plans work excellently together. One layman, experiencing the inner thrill of team work in family evangelism, commented with deep feeling, "Has witnessing for Christ ever been so rewarding?"

In a recent analysis of membership ingatherings there was discovered a startling difference between the number of conversions reported and the figures on church membership accessions. A pathetic story in point is that of a revival with fifty-four conversions recorded and only seven of that number received into the church. Is this the failure of the pastor to follow through faithfully and thoroughly? Or is it that some of the revivals held are merely emotion ticklers?

It has been discovered, too, that hundreds of our West Virginia churches have been reporting over the years no accessions at all. Viewed in the light of generally accepted standards of Christian excellence, this is a picture of pathetic deficiency. How can we, fellow churchmen, offer so empty a plate to such starving communities?

No church was ever blessed with such a wealth of informing and inspiring literature as ours today. This literature is exceedingly well balanced, devotional, evangelistic, socially aware and world-minded. The Faith Booklets and other publications of the Advance of Christ are a triumphant answer to a wide-spread and strongly voiced need. From the flashing pens of scores of highly trained writers for the church we have a vast and noble literature. Associated with such important tools are ably promoted schools for the training of Christian leaders on the local church level. For these schools within our conference we are greatly indebted to the efficiency of the Conference Board of Education. The demand for dedicated and competent guides in religious education still exceeds the supply. Whoever are looking for such service opportunities will find here plenty of chance for the employment of their creative abilities.

Present reports of our own West Virginia Wesleyan College in her Capital Funds Campaign are very heartening. One cannot read these reports without getting an ascending view of the responsiveness and dependability of West Virginia Methodists in appreciation of their very own Conference College.

It was upon the challenge of a desperate urgency that West Virginia Methodists a few years ago entered with enthusiasm upon the Reserve Pension Fund program. Back of this movement was a carefully organized committee, a plan, and a leadership of marked ability for the undertaking. This Reserve Pension Fund cause, so well begun and promoted, deserves from all of us the will and the power to see it through. With the dream so near fulfillment, we are going to keep the flame alive until the whole splendid job reaches its culmination in complete victory.

World Service and the Advance for Christ and His Church are the post-graduate stages in all healthy and increasing Methodist life.

They are our churches stretching together toward supreme excellence in Kingdom extension through world-feeling.

The present world movements of our church and other kindred churches give promise of binding the peoples of this earth into a union more lasting than any agreements of diplomacy, or commerce or conquest.

An old Methodist axiom reads, "If you love your religion, support it without compromise and without pause." The Christian Church has never believed that the Kingdom could come without conflict and without tension. Christian churchmen have always known that if the church is to cooperate with the regenerative forces of God in the world, there must be dangerous risks.

Methodists are wise in observing Commitment Sunday. The church whose people are not committed to something can make little impression upon and gain small respect from our great, sinning world.

In closing this report we desire to express our sincere appreciation for our leader, Bishop Lloyd C. Wicke. He has breathed among us the contagion of faith and good will. His administration has been skillful. He has stood shoulder to shoulder with pastors and laymen in untiring devotion and compelling enthusiasm. Through his wise counsel the Cabinet has carried on its work with good understanding, fine morale and remarkable unanimity.

The pastors and laymen of the Conference have been magnificent in the confidence and affection which they have so generously expressed toward their District Superintendents. For all these heartening expressions we are glad and grateful.

Someone has well said, "It is not what we have achieved but what we want to achieve that fixes our place in the estimation of the Eternal." We look to the past in grateful receptivity. We go forward to meet the future with the best Christian dignity and honor we can bring to it.

This week we meet to blueprint our dreams!

COMMITTEE ON CONFERENCE ENTERTAINMENT

We recommend that the method of Conference Entertainment for next year be same as this year.

We recommend that the retired ministers not serving charges receive \$15.00 each for their entertainment, and that those persons who do not serve charges in this Conference whose presence is required for admission or ordination be also allowed \$15.00 each, and that this apply also to this session of the Conference.

We urge the District Superintendents to request the charges in his District to provide for the entertainment of the Minister and lay member.

We call attention to the fact that the method of entertainment used this year has made it possible for the Commission on World Service and Finance to recommend a 5% allowance to the Board of Hospitals and Homes.

COMMITTEE ON EVANGELISM

Words have a strange way of changing their meaning from one generation to another. The word evangelism, once the most thrilling word in the Christian vocabulary today has lost most of its meaning.

This is nothing less than tragic. Evangelism has always been, is now, and will continue at the very heart of Christianity. When the church is through with evangelism, it is very definitely through. Never in the history of our church were the words of the late Bishop Hughes more true than they are today. "We must evangelize or die." However, we are much encouraged by the new emphasis placed upon evangelism by the leaders of our church in recent years. A most timely word of admonition was given in the charge to the ministers coming into full connection in the North Carolina Conference by that great Methodist layman and statesman, the late Joseph Daniels, when he said, "Don't be afraid to be called a revivalist or an evangelist. The most sentimental statement of all history was, 'Ye must be born again'. God expects to save the world by evangelical preaching that stirs hearts of men and women. Don't be afraid to appeal to the emotions. I have never known a man to be converted unless his heart was touched." Coming from the great brain and noble heart of a world statesman and Christian, these words should encourage us to speak out more boldly for Christ and his plan of human redemption.

We are not pleading for a superficial emotionalism but for the presentation of the good news of salvation from hearts and lives of ministers and layman aglow with the love and passion of Jesus. The church needs again the evangelistic fire that flamed in the breast of early Methodist.

We are glad for the very prominent part given to the cause of evangelism in the Great Advance Movement now underway in our church. We hope that each pastor and local committee on evangelism will work unceasingly at this holy task, and when the quadrennium is over that the West Virginia Conference will be among the top of those conferences successfully meeting the challenge set before us.

We have every reason to be proud of our record in the first year of this Advance Program. We were the only conference in the Pittsburgh area and one of the three conferences of the Northeastern Jurisdiction that met their goal of one person won to Christ for each seventeen active members. Our average was one to fourteen, which is the goal set for this coming year for the whole church. The following districts are on the honor roll of last year for bettering the average set by the General Board of Evangelism: Beckley, Bluefield, Buckhannon, Central and Charleston. We hope that during the coming year every district will be able to meet their quota of one to fourteen. During this conference year eight of our district secretaries of evangelism attended the great evangelistic meeting held in Philadelphia November 26 to December 2 and five of our young men attended the E. V. Morrman School of Public Evangelism held in

Rock Island, Illinois. We hope that these men may be used in the promotion of district or sub district-wide evangelistic meetings.

Your Conference Board gave financial assistance to the support of the chaplain stationed at the Boy's Industrial Home at Pruntytown and to the group ministry program of West Virginia Wesleyan College.

While we have occasion for much rejoicing in the success of the evangelism program in our conference, there are, however, two revealing facts that should give us a great deal of concern and stir us to some kind of action. They are: First, the 53,494 members now on our inactive roll. This number seems to be growing each year and some steps must be taken to halt this mounting number of men and women being lost to our church each year. Second, the fact that we had 792 churches that never won a single person to Christ during the entire year. This is a little more than one half of our churches. We hope that each district committee on evangelism will give serious thought and work out some plan to correct this existing condition.

The only conference-wide program planned for the coming year will be our participation in the Pastor's, Woman's Society and Christian Worker's School to be held at Buckhannon July 17-22. We will have with us Dr. G. Ernest Thomas of the General Board of Evangelism who will teach the course on Evangelism and conduct a Spiritual Life Retreat each afternoon. We hope that all pastors will make a special effort to take advantage of this school and also encourage the laymen to enroll in this course, that they might be better prepared to promote a program of evangelism in the local church. We will also have a course in Evangelism in each of the Youth Assemblies which proved so profitable last year.

We received during the year 9,826 on profession of faith, 1,051 from other denominations, and 3,746 by transfer. Making a total of 14,620.

Recommendations

We present the following recommendations:

For the Districts

1. Since it is the policy of your Conference Board to plan evangelistic programs on a district-wide basis rather than conference-wide, we recommend that each district have an active committee on membership and evangelism as prescribed by the discipline.
2. That early in the conference year there be a district-wide meeting of all local church committees on membership and evangelism for the purpose of studying the evangelistic needs and opportunities.
3. That this district committee work out plans for a district-

wide evangelistic program giving serious thought and attention to the number of churches receiving no one on profession of faith last year.

4. That there be a district-wide simultaneous visiting and preaching program sometime during the period designated by the General Conference for the study of Christ and our church, since the action during this period will be evangelism. The date for this will be October 1950 to March 1951.

5. That there be held in each district early in the conference year a prayer retreat for both ministers and laymen.

6. That the district committee work with the district superintendent and the Board of Missions and Church Extension for the establishment of churches in needy areas.

7. That city-wide preaching missions be held wherever possible and that help be given to ministers in rural areas in their evangelistic efforts.

For The Local Church

1. That the committee on membership and evangelism be composed of the most active laymen of our churches and those most interested in the cause of evangelism.

2. That this committee be organized with the usual offices and plan monthly meetings for the study and planning of the evangelistic needs of the local church.

3. That one week of the conference year be observed as (letter of notification) week; and that the forms provided by the Methodist Publishing House be used in notifying non-resident members and pastors in the community to which they have moved.

4. Set as a minimum goal for new members to be received on profession of faith one for every fourteen active members reported to this Annual Conference.

5. That every church observe (See You In Church Sunday) during the Lenten Season.

6. That each church observe Life Service Sunday when the call is made to young people to enter full time Christian service.

7. Arrange for the distribution of the (Upper Room) to all church families and to urge the establishment of family altars. That there be wide distribution of evangelistic and devotional literature as aids to family religion.

8. Provide a subscription to Shepherd's Magazine for each member of the committee on membership and evangelism.

9. Assist the pastor in organizing membership classes for the training of children, youth and adults.

10. That the invitation the Christian discipleship be given each Sunday in the regular preaching service.

11. To form prayer groups for the purpose of enriching individual lives in the extension of God's Kingdom.

12. That the evangelistic emphasis be central in the efforts to promote (The Advance for Christ and His Church).

13. That all special days and seasons of the church year such as: World Communion Sunday, Christmas, Week of Dedication, Easter and Pentecost Sunday be used as opportunities to emphasize the evangelistic programs in the local church.

14. That a preaching mission or public evangelistic services be held in each church sometime during the conference year; and that the summer months be especially used for this type of evangelism in rural areas.

15. That the local committee on evangelism provide for distribution among the membership the very helpful literature that is being provided by the General Board of Evangelism.

16. That Family Week and the Christian Family Movement be used as a means of encouraging every Methodist family to practice daily family worship, Christian living in the home and the community, and regular worship in the church. Every Methodist should be impressed with the responsibility of being an evangelistic agency in winning its children and friends to Christ and the Church.

17. That all of our organizations in the church give more emphasis to the deepening of the spiritual life of our people in all of their meetings. The evangelistic success of any church is directly dependent upon the depth of the spiritual life of its membership. All of our pastors, Church School leaders and people must possess the spirit and passion of the Master if they hope to succeed in the holy task of saving lost souls in the world about us.

We recommend that W. E. Keenan be appointed by the Bishop to serve as the Conference Secretary of Evangelism for the year 1950-51.

REPORT OF THE BOARD OF HOSPITALS AND HOMES

The 1949 session of the Annual Conference accepted the job analysis of the work of this board as presented by the board and printed in the minutes on pages 108-109. At that time the Conference also accepted the offer of the Star of Hope Child Shelter and instructed the Conference Board to secure the legal transfer of that institution and its assets to the West Virginia Conference. By request of the Board to Bishop Wicke and the Cabinet, Rev. Harry S. Myrely was appointed to supervise the newly acquired institution.

Certainly any one who will take the time to read and carefully

consider the strategic importance of the 21 phases of a service program as adopted by this conference and heartily endorsed by our church wide authorities will agree that we cannot put this full program into effect until we have a full time field representative. We trust that this can be arranged before the people in West Virginia give up hope that the Methodist Church intends to occupy this field of Gospel service in this state. We have made a small beginning in the matter of needy children but there are two other areas of the work awaiting our entrance — care of the sick and homes for the aged.

As soon as the income for the work justifies we will certainly come before you with such a proposal. We believe you will be inclined to endorse our judgment in the matter as you have readily approved all other proposals of this board in the past.

Meanwhile, we have done some significant work that may be outlined under seven of the twenty-one phases of our service program: (See outline of program, pages 108-109 in Conference Minutes for 1949). The points referred to are Nos. 1, 4, 14, 16, 18, 19 and 21. Briefly, the work has proceeded this year somewhat as follows: The study of the work has continued—five persons from our Conference participated along with Bishop Wicke in the National Methodist Council of Hospitals Homes, including the Board Chairman; several pastors and lay persons have sought our advice concerning possibilities for the care of children and adults although we are so poorly equipped for this service under present circumstances; the Board met during the year at the Children's Home and appropriated sufficient money from the Fifth Sunday Offering Fund to provide for the supervision of that work; various members of the Board have visited and inspected some valuable properties that various persons had thought might be used in the work of the Conference; our board participated in the Conference on Christian Vocations that was held in Buckhannon at Christmas time; the work was presented at each District Conference and in many churches during the year; the Fifth Sunday Offering Fund has been presented from time to time and we hope will show some increase when all reports are in from the churches; the Commission On World Service And Finance has followed the action of the Annual Conference and considered this phase of the Conference work favorably after representation by the Chairman of the Board.

The response of the churches to our Conference Fifth Sunday offering plan continues to grow. The offerings remitted to the Conference Treasurer by the churches amounted this year to \$8,294.98. That is approximately one thousand dollars more during this eight months Conference year than has ever been remitted in any twelve months year.

The Board appropriated this year to the newly acquired Methodist Children's Home sufficient funds to pay the total salary and expenses

of the superintendent of that home. In addition we were able to build up the fund for launching future projects to \$26,507.15. The favorable action of this conference last year to the recommendation of the Conference Commission on World Service and Finance helped us in this to the extent of \$1,000.00.

We now request the Rev. Harry S. Myerly, Superintendent of our Methodist Children's Home located at Belington, West Virginia to present his first annual report.

THE METHODIST CHILDREN'S HOME Burlington, West Virginia

The transfer of the Star of Hope Child Refuge to the Trustees for the West Virginia Conference, Methodist Church, Children's Home, became effective December 8, 1949. The Assets were as follows:

Real Estate	\$14,500.00
Personal Property	748.00
Liquid Assets (Cash, U. S. Bonds and Loans)	33,542.89
Supplies	639.00
Total	<u>\$49,430.89</u>

The six girls and ten boys who were residing in the Home at the time of the transfer, were admitted not because of Church affiliation but because of need and from the following Counties: Mineral, Hampshire, Tucker, Pendleton and Randolph. *We are* responsible "to care for, provide and furnish such children with the necessary food and clothing, and such medical attention as they may require, and to give them a moral training" until such time we find for them a more normal home-life. The Church should do this, PLUS!

Our building is of frame construction with two stories and half basement, heated with a hot air furnace and lighted with electricity. There are fourteen rooms, two baths and two halls. "Sixteen children and three staff members constitute the maximum number to be provided for in the present building." The thirteen acres of land provide vegetable and flower gardens, recreational space and pasture.

For an understanding and adequate program of Child Care for our Conference, a building or several buildings of the "Cottage Type" recommended by the Board of Hospitals and Homes, are necessary. There is no room in the present building for additional and needed staff members. Living quarters on the campus are not available for the Superintendent and his wife, therefore, the Superintendent and his wife are residing in one room in the local hotel, not by choice but because of necessity. The office work is being done in the hotel room.

In order to secure a License as a Child Caring Agency, it has been necessary to comply with certain recommendations and requirements from the State Fire Marshal's Office and the State Department of Health. Such recommendations include—the re-wiring of the Home

and added lighting facilities, additional heat, fire escape and approaches, enclosing stairways, re-decorating the interior, added refrigeration, three compartment sink, mattresses, pads and covers, individual clothing lockers and other necessary furnishings for a home-like atmosphere, necessary plumbing, sewage disposal and sufficient quantity and quality of water. The estimated cost is \$3,000.00. The same is being paid out of the Assets inherited.

We desire to express our appreciation to our many friends and organizations in the Churches contributing money, food, clothing, and personal gifts, to the Children and Home.

SPECIAL GIFTS:

Cash — \$982.19.

The Inventory Value\$790.00

Our License will grant us the services of Child Care in the Home. Admissions will be from six to fourteen years of age. For the present we will not be licensed in the program of Adoption or Child Placement.

The Superintendent presented the work of the Home in nine of the eleven District Conferences. Dr. A. Coleman Brown presented the work of the Home at the Fairmont District Conference and Rev. Charles W. Paskel, at the Beckley District Conference. The work of the Home has also been presented in thirty-nine Churches.

Twelve inquiries in behalf of the adoption of children have been received. Twelve inquiries involving thirty-three children for admission have been received. Counsels have been held in all cases. No application for admission has been urgent enough to file.

Visiting seven Methodist Children's Homes in four States, having counsel with the Superintendents and Staff and attending the National Association of Hospitals and Homes, has been a great source of inspiration and helpfulness, in the period of transition from the Star of Hope Child Refuge to the Methodist Children's Home.

We authorize the Board to use such amounts from its current and reserve funds as may be deemed necessary by action of the Board for carrying forward the work and achieving the objectives as set forth in the 21 points in the program adopted at the 1949 session of the Annual Conference, see pages 108-109.

8. We recommend that the Board provide for representation of our Conference at the Annual Conference of Methodist Hospitals and Homes, usually held in Chicago under auspices of the General Board of Hospitals and Homes.

REPORT OF THE COMMITTEE ON GROUP INSURANCE

The committee on Group Insurance has met twice since our last report and continued a study of insurance plans suitable for the Conference. At the last meeting, held in Parkersburg, W. Va. April 14th., representatives of three different insurance companies appeared before the committee with their various proposals.

There being a wide range of different types of group insurance, from group life to sickness, accident and hospitalization insurance, the committee was of the unanimous opinion that a sufficient expression had not been received from members of the conference as to just which type they were interested in. Therefore, a recommendation is deferred and members of the Conference are requested to convey their preferences to the committee.

It is further recommended that this study be continued.

J. CLAIR JARVIS,
Chairman.

REPORT OF COMMITTEE ON PUBLICATION OF THE JOURNAL

The Committee on the Publication of the Journal met in First Church Clarksburg, Tuesday, April 25, 1950 at One P. M. The following members were present: W. A. Debar, Harold Grandstaff, Frank White and U. E. Wills.

The Conference Secretary reported that the following publishing companies had been asked to submit bids for publishing the 1950 Conference Journal: Fairmont Publishing Co., Fairmont, W. Va.; Gentry Brothers Printing Co., Huntington, W. Va.; Standard Printing Co., Huntington, W. Va.; Scholl Printing Co., Parkersburg, W. Va.; Cook Printing Co., Huntington, W. Va.; Jarrett Printing Co., Charleston, W. Va.; and the Rose City Press, Charleston, W. Va.

The following bids were received:

Rose City Press	\$29.00 per page
Standard Printing Co.	22.90 per page
Cook Printing Co.	12.25 per page
Scholl Printing Co.	12.20 per page

On motion by Harold Grandstaff and seconded by Frank White the contract for printing the 1950 Conference Journal was given to the Scholl Printing Co.

On motion the price of the Journal per copy was set at \$1.00.

After the consideration of plans for distributing the Journals, the Conference Secretary was asked to include a letter in each shipment of Journals to the effect that pastors desiring additional copies could get them so long as available supply lasted, and by writing the secretary.

W. A. DEBAR,
Acting Secretary.

**PROGRAM FOR LAY ACTIVITIES
1950 - 1951**

Your Committee on program for the Board of Lay Activities, takes just pride in reporting the accomplishments for the past year which we have brought to a very successful conclusion. We feel very indebted to the leadership of all programs and congratulate each which has made his contribution to the Advance for Christ and His Church.

Christian Stewardship

Recently each of our Churches received from the General Board of Lay Activities a small manual, "CHRISTIAN STEWARDSHIP IN THE LOCAL CHURCH." Christian Stewardship is vital to the destiny of the Christian Church. This becomes obvious to every person who gives it a little thought. The future of the Church and the Kingdom of God is essentially linked with the principle of Christian Stewardship. This Manual is provided for your earnest consideration and action on the part of the Ministry and Laity. It is the hope of the Board that you will incorporate it into the normal program of your Church. This manual can be secured from the General Board of Lay Activities.

Layman's Sunday

We propose that Layman's Sunday be observed 100% the coming year, and that the program of our General Board of Lay Activities be followed as nearly as possible. The entire program should be in the care of our laymen and we urge more laymen to participate in making up the program in our Churches. Materials and other help in making this day a success will be supplied by your General Board of Lay Activities.

Methodist Men's Organizations

Especially do we urge all our Churches to give the men this organization which is so badly needed in all our Churches. Every Church having such a Methodist Men's Movement is urged to have that organization become affiliated with the Methodist Men by ordering a Charter from the General Board of Lay Activities. Certainly the most exciting gain is that of the Methodist Men's Organizations which are springing up over the entire world. Everywhere the movement is based on the fact that the crisis is too serious to be met by the Clergy alone. Materials for the organization of a Methodist Men's Organization may be secured from the General Board of Lay Activities. The General Board of Lay Activities has for its objective 5000 such organizations by 1952.

Methodist Children's Homes

We recommend that the Superintendent of the Methodist Child-

ren's Home, Burlington, West Virginia, work out some plan to bring this important work to the attention of our Laymen, listing the work being done in the Methodist Children's Home as well as the need of support for this institution. We your laymen endorse this work and recommend that our laymen support it with their sympathy and their offerings.

Day of Commitment

We, the Laymen of the West Virginia Conference of the Methodist Church want to congratulate the Ministers of the Churches who reported the observance of this day. Reports show that many more Churches observed this day than in the past. Our Organization endorses the widest possible observance of the Day of Commitment, because we feel that by organizing our local Church along with the Church School, the over-all program, a great victory can be won.

Methodist Laymen's Magazine and Other Periodicals

We urge that sufficient numbers of the "METHODIST LAYMEN'S MAGAZINE" be ordered, so that a copy may be placed in the hands of each of our Laymen. We also urge that our Churches use more liberally the "UPPER ROOM," and that a copy be placed in each guest room of our Hotels, as well as in all Hospitals. We, the Laymen, pledge to work for an increase in the circulation of "THE CHRISTIAN ADVOCATE."

Men's Institute

We urge that more emphasis be given to sending a greater number of laymen to the Methodist Laymen's Institute held Annually at Jackson's Mill. We feel that the Fellowship and Inspiration received here is well worth the time and effort given. We recommend the dates for the next Institute be set as May 18, 19 and 20, 1951.

Week of Dedication

We urge that the Week of Dedication be approached very prayerfully and that our people be urged to make a full dedication of their life of service. Especially do we endorse Tithing as one of the gifts of service of a good Steward, and we feel the Day of Dedication should be used to enlist our membership in Christian Stewardship as set forth in the New Testament.

Evangelism

We urge that our Churches continue the plan of Home Visitation and Evangelism for the enlisting of our people. We endorse the movement, "MEET YOU IN CHURCH SUNDAY" and the use of all promotional materials to make this plan most effective. We urge that each of our Churches send its laymen and laywomen into the

homes of their Parish that they may witness for His way of life. We congratulate the Ministers who are teaching the plan of Home Visitation. There is now an estimated 1,000,000 men in America trained for the Home Visitation approach.

World Service

We, the Laymen, endorse the plan set up for World Service in the Advance for Christ and His Church, as well as other phases listed under the World Service Program. We recommend that more emphasis be given to the publicity of our Church Schools for the Fourth Sunday Offering as the World Service Offering. We are of the opinion that if this is done the offerings for this day will increase materially.

Our Pledge of Loyalty

We pledge our support to Bishop Lloyd C. Wicke and the District Superintendents in the promotion of the program of the Advance for Christ and His Church. We prayerfully dedicate our lives to the achievement of every goal set by our leaders. We, the Laymen, further pledge our loyalty to the Clergy of our Church to go hand in hand with them to make better Churches, better towns, and eventually a better world.

We further pledge to participate in the Pittsburgh Area Program to be held at Jackson's Mill, November 11-12, 1950.

REPORT OF BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS

The most important function of the Board of Ministerial Training and Qualifications is the recruitment and training of candidates for the Christian ministry. In this work the Board is glad to report a reasonable measure of success. We do not have a report from all the districts on the number of persons licensed to preach, but the reports that have come in are encouraging. Approximately one hundred and fifty young men are studying in the various colleges of the State and the various seminaries of the church, in preparation for the Methodist ministry. While some of these college students have come from other conferences and will return to those conferences for their ministerial service, the large number of them from our own conference bespeaks a more adequate supply of trained ministers for tomorrow.

The change in the date for the regular sessions of the Annual Conference made necessary a change in the date and program for our School of Ministerial Training. In order that the men in the Course of Study might complete their work in time for report to the Annual Conference, the school was held this year from April 17th to the 22nd. We made it an Area School with an equal number of in-

structors from each of the three conferences. Eighty-two Supply Pastors were enrolled and manifest a serious and studious interest, and expressed general satisfaction with the new plan. The School was held at Jackson's Mill State Four H Camp. Mr. Charles Hartley, the Superintendent of the Camp was most gracious in taking the school for us and provided every courtesy and comfort for us. The evening lectures were given by the Rev. James Lutz from the Pittsburgh Conference, the Rev. Arthur Colley of the Erie Conference and Dr. Roy McCuskey of the West Virginia Conference. The lectures were both intellectual and inspirational and were well received.

The Board of Ministerial Training and Qualifications is persuaded that the major problem facing us in finding and training an adequate number of ministers for the church is financial. The great majority of candidates for the ministry come from homes of limited means. A full college and seminary program is expensive. Salaries for ministers as they begin their work are very low. They cannot afford to incur heavy indebtedness for their training. Besides that, one of the questions they must answer as they stand at the bar of the conference is, "Are you in debt so as to embarrass you in your work?" It therefore becomes the responsibility of the church to find some way of solving this problem. The Board of Trustees and the Administration of West Virginia Wesleyan College have inaugurated a plan of scholarships that is helpful. Other colleges and seminaries are sympathetic and considerate. But the colleges and seminaries cannot meet the increasing demands. The Conference must accept its share of responsibility. Greater emphasis must be given to building up the Francis Asbury Fund. Even that will not meet the needs. We believe that the Commission on World Service and Finance should approve and this conference provide at least ten per cent of the Conference Benevolences as a scholarship and loan fund to aid men in college and seminary who plan to give their service to the West Virginia Conference. We believe that no more important action could be taken for the future of the Church in this state. It would solve one of the major problems in providing an adequate and well-trained ministry for our Conference.

We wish to call to your attention the minimum standard of education fixed by this Conference for Supply Pastors, and to point out the distinction between an Accepted Supply Pastor and a Local Preacher who is appointed to serve a Charge. An accepted Supply Pastor, beginning with this session of the Conference, must be a graduate "from high school or a preparatory school of standard high school rank, or have a certificate from the State Board of Education signifying that the candidate has successfully passed the examinations provided for adults by the State Department of Education"; he must pursue and complete the Course of Study proposed for Accepted Supply Pastors, under the direction of the Board of Ministerial Training and Qualifications. A Supply Pastor is guaranteed a minimum salary fixed by the conference for Accepted Supply Pastors, and, upon legal retirement, becomes a claimant upon the

Annuity Program of the Conference. A Local Preacher temporarily appointed to a Charge, is not required to meet these requirements and is guaranteed none of these advantages. These distinctions should be kept in mind by the District Superintendents so that there may be no misunderstanding on the part of the Local Preacher who is appointed to supply a Charge, thinking that he may by that appointment become an Accepted Supply Pastor with all privileges accorded such.

The Board of Ministerial Training and Qualifications covets the interest and assistance of all District Superintendents and Pastors and other workers in discovering and capturing outstanding young men for the Christian Ministry. If each could find one during the program of Advance, the Kingdom would be decidedly set forward. We offer that as a challenge to the Conference in this Quadrennium.

JOHN E. HANIFAN,
Chairman

REPORT OF THE BOARD OF MISSIONS AND CHURCH EXTENSION

With humility and sincerity the Board of Missions and Church Extension has attempted to fulfill the challenging responsibilities that come to our attention from year to year. With a growing vision on the part of our ministers and people as to the tremendous possibilities for the establishment of new congregations, the erection and improvement of churches, and in a general way strengthen the arms of The Methodist Church at home and abroad we feel that these important years demand our best.

Handicapped as we are by limited funds, we have tried to evaluate, carefully and impartially, every request that has been made of this Board, and respond to the extent of our resources. Where struggling congregations have been unable to support their minister we have tried to encourage them with our help. Where growing congregations have necessitated new or enlarged buildings we have tried to serve them by making available expert guidance in architectural and financial problems involved. Where new developments have occurred in West Virginia and Methodism has a responsibility we have moved in as rapidly as time and funds will permit, surveyed the community, assisted in the organization of a church, and helped provide temporary housing for them until a building program could be gotten under way.

An expression of appreciation is due the officers of our Board, the Executive Secretary, the Conference Missionary Secretary, the District Missionary Secretaries, and the members of the Board who have served the Conference in this capacity. We earnestly solicit the encouragement of your prayers and support in the promotion of this great work of The Methodist Church.

The following pages will serve as a report of the stewardship of the Board of Missions and Church Extension for the Conference year now ending.

Respectfully,
JAMES CLAIR JARVIS,
Chairman

REPORT OF CONFERENCE MISSIONARY SECRETARY

We deeply appreciate the helpful service rendered to our Board and to the Conference, and to the Missionary cause by our General Board leaders; and especially do we desire to express our thanks to the General Board for sharing with us Dr. P. C. B. Balaram of the Bombay Conference, for his thrilling and timely messages at our Missionary Institutes. We are happy to report that from the offerings received at the Missionary Institutes our board was able to send \$350.00 to the Bombay Conference, to be used under the direction of Mr. Balaram.

We are assured the services of Dr. E. T. Iglehart, missionary to Japan, for the Pastor's and Christian Workers School, July 17-22.

We believe that the cause of Missions is rapidly approaching a new high in the West Virginia Conference. This is a day of "Advance", and advance we must. At the mid-year meeting of our Conference Board of Missions I proposed a new plan of Missionary Institutes. The old type Missionary Institute, as good as it has been and at it's best, is not good enough for this challenging day in which we are to serve.

Here is the plan: We have eleven districts, and I am suggesting that we give each district one month. The twelfth month to be given to the Youth Assemblies and the Pastor's and Christian Workers School. This is how it would work: Open (in each District) with a Missionary Rally for the District. Then follow an itinerary, prepared by the District Superintendent and the District Missionary Secretary, which would take the program into a different church each day and in a different charge. This will enable us to carry the Missionary Message to the very "grass roots" of our great church. I feel that this will pay large dividends, both in our Missionary giving and in the recruiting of new Missionaries and Ministers and Christian workers for our local churches.

The plan has been endorsed by both the Conference Board and the General Board. It is now in the hands of the Division of Foreign Missions to see what can be worked out in the matter of securing a man or men. The plan calls for one man, the best that can be found, a native if possible, from one of our Mission fields, and for one year, or two men for six months each.

It is to be kept in mind, that we expect this adventure to be self-supporting.

CARDEN A. HILLMAN,
Conference Missionary
Secretary

REPORT OF THE SECTION OF MAINTENANCE OF CULTIVATION

1. Having contacted Dr. W. E. Overstreet who is favorable to the use of a Missionary in the Summer Assemblies this year and believes living arrangements can be worked out at Buckhannon, we propose that a Missionary be secured for a period of about five months for Missionary promotion.
2. Two Deans of Youth Assemblies have said they would like to use the Missionary in their Assembly.
3. A list of the time for each District has been given by the Cabinet and their approval for securing a Missionary has been given.
4. It is the hope that the Missionary can be secured to arrive in the Conference by June 20th., or as soon thereafter as possible, and work during the four weeks to follow in the Assemblies. During the period from now until July 22nd., the further details of a schedule with dates and places for his use will be worked out by the Conference Missionary Secretary as the contact person between the Board of Missions and Church Extension and the District Superintendents and other leaders.
5. It now seems possible that the schedule in the districts will occupy no less than four months, or a little more if schedules make it wise.
6. It is the plan that free will offerings be taken at the various institutions, rallies, and in the churches where the Missionary speaks. The travel, board and incidental expenses and house rent shall be taken out of these funds. These offerings shall be turned over to the Conference Missionary Secretary who will serve as treasurer to handle these funds.
7. It is understood that some of the incidental expenses in each district are to be taken out of the money allocated to the District Missionary Secretary which he will administer while promoting Missionary Cultivation, in his own district.
8. It is recommended that the Board of Missions and Church Extension allocate a fund of \$500.00 as a working capital, with the idea that the free will offering will more than meet all expenses in the end. Should there be a surplus after meeting all costs, returning all of the original funds, it is to go to a Special in the Advance assigned to the West Virginia Conference.

WEST VIRGINIA CONFERENCE

9. We recommend that November 1 - 15, 1950 be the period when we call upon all Pastors, Churches and Woman's Society of Christian Service to promote the World Outlook to secure subscriptions.

Signed:

CARDEN A. HILLMAN, Chairman.

NAT. G. BARNHART, Secretary.

BOARD OF MISSIONS

Section II.

Report of Executive Secretary

- I. Construction of new educational buildings and new church buildings has been hampered for twenty years, by the depression and by the war. There now is a great desire by many churches to enlarge their facilities. In some communities small suburban churches are surrounded with 300 new homes and some church schools formerly with enrollments of 50 or 60 now have 200 or 250. These children must be cared for. Our churches must meet the needs of these growing communities. Feeling that helping to build enlarged church plants in strategic mushrooming communities would be a quick way to "reach the unreached" we have made a major investment of time and effort in raising money for Church Extension. It is the hope of the Board of Missions that the superintendents will set forth strategic places, buy lots or solicit them as gifts, get the local laymen to assist in the inception of churches and then let the Board of Missions assist in raising money to build the church. In this way the Board can assist in a greater number of projects within our Conference.

Respectfully,

R. MOORMAN PARKER.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

April 15, 1950

This has been a year of challenge and encouragement. As I have gone into every District in the Conference and also visited with many local units of the Woman's Society of Christian Service and the Wesleyan Service Guild I have found enthusiasm and great interest in the total program of work we are promoting. These women are busy women but they give freely of their time for our extensive program of worship, study, business and the varied projects of our numerous departments of work.

Last October the Executive Committee of our Conference Woman's Society of Christian Service met in a two day Spiritual Life Retreat led by Mrs. John W. Warren of Watertown, N. Y., Spiritual Life Secretary of the Northeastern Jurisdiction and Mrs. Austin

Bagshaw our Conference Secretary of Spiritual Life. This Retreat set the foundation for our years' work, a year in which there has been unity of purpose and steady growth.

Also, in October, Miss Dorothy Nyland, Associate Secretary of The Woman's Division of Christian Service in charge of Student Work, itinerated in our Conference visiting on six college campuses. Students, faculties and ministers were aroused to organize Methodist Student Groups and Student Secretaries have taken ahold of their responsibilities with new enthusiasm. Mrs. Charles Evans, our Conference Secretary of Student Work made the arrangements for Miss Nyland's visit.

In November, our Conference Promotion Secretary, Mrs. H. E. Kelso visited every District of the Conference in cooperation with the Conference Missionary Secretary in a series of Missionary Institutes. The special speakers were Miss Mary Lou Barnwell of New York and the Rev. P. C. B. Balaram of Bombay, India. There was a total attendance of 2820 and a total offering of \$831.83 or \$221.93 more than last year.

In December we cooperated with the Conference Committee on Christian Vocations in the holding of the first Conference on Christian Vocations at West Virginia Wesleyan College during the Christmas holidays. Our Conference Woman's Society of Christian Service underwrote this Conference up to one-half of the total expense. The report of this Conference will be given by the Committee on Christian Vocation.

In February six members of the Executive Committee of the Woman's Society met in Bluefield at the call of Bishop Lloyd C. Wicke, and with District leaders studied the missionary needs of that area with a view to enlarging the work. Miss Marjorie Minkler of New York was also there to speak for the Woman's Division. Out of this meeting a smaller committee was appointed to establish new work within the coal fields of the Bluefield District.

May 10 - 12 our Annual Meeting will be held in First Methodist Church, Huntington. Speakers are to be Mrs. James K. Mawha, Maplewood, N. J., President of the Northeastern Jurisdiction; Mrs. A. C. Johnson, Hopkinsville, Ky., Division Chairman of the Department of Work in Home Fields and Miss Nina Stallings, a missionary to China, recently returned. Mrs. Edgar H. Singer, President of the Woman's Society of Christian Service of the Pittsburgh Conference will be a fraternal guest from that Conference. The THEME shall be for our help and guidance during 1950 - 1951 is **THY SAVING HEALTH AMONG ALL NATIONS.**

The four study courses for our women for the year 1950 - 1951 are:

1. 'Corporate Worship'
2. 'The Near East'

3. 'Toward A Christian Community'

4. 'A Christian's Vocation'

Our statistical report is as follows:

Number of Societies June 1, 1949	712
Number of Societies March 1, 1950	738
New Societies	26
Number of Wesleyan Service Guilds	66
Total membership of Woman's Society of Christian Service and the Wesleyan Service Guild	32,999
Number of unorganized Circuits	78
Number of unorganized Churches	414

Due to the fact that our fiscal year does not close until May 31st.
we have no financial report at this time.

Respectfully submitted,
MRS. B. W. JOHN, President
Woman's Society of Christian
Service of the West Virginia
Conference

Supplementary Note

Sustentation payments for this Conference year were figured on the two-thirds basis. If we had paid for a full twelve month year, the expenditures would have increased \$5,220.64 over last year's payments. We operated at a deficit last year, and undoubtedly we have done so again, although we cannot know how much of a deficit until the final report on income reaches us from the Conference Treasurer.

Obviously something must be done. Your Committee on Sustentation can see four alternatives, one of which must be adopted at the Conference session:

1. Lower the minimum salary.
2. Lower the maximum payment to \$300.00.
3. Raise the assessment to church and/or pastor from 1% to 2%.
4. Stop Sustentation payments to ministerial students serving as supply pastors.

It should also be noted that 84 pastors failed to pay part or all of their 1% assessment to the Sustentation, for a total of \$1,030.54, in the Conference year 1948-49. We do not have a report from the Treasurer on delinquent churches.

The Sustentation program of our Conference is a fine and brotherly thing. It is the hope of your committee that every man and every church will give it full support. Rules governing the fund may be found in the Conference Minutes for 1949, Page 131.

By action of the Conference, we must carry enough in the Treasury to run the fund for the current year, the section and the Board recommend:

1. That the Section on Sustentation be hereinafter known as the Committee on Minimum Salary, in accord with paragraph 806 of the Discipline; the provision of this paragraph to go into effect with the Conference year 1951-52.

2. That the maximum amount to be paid by this Committee for the current year be \$300.00 plus the family allowance. (See Conference Minutes 1949, page 131 for other rules governing this plan).

REPORT OF PENSION FUNDS, INCORPORATED

Pension Funds, Incorporated, the pension agency of the West Virginia Conference, herewith submits a report of its activities during the period beginning October 1, 1949 and ending April 30, 1950. A supplemental report, covering the month of May will be

made at the conference session. This report will seek to indicate progress made, the problems before us, and make some recommendations for the future.

By and large the program has functioned effectively and we have sought to do the work assigned us with care and consideration.

During the year the Corporation lost the services of Mr. George Snodgrass, who has rendered devoted and sacrificial service in the field of Conference Claimants. The Executive Secretary has taken over these duties and is becoming acquainted with the great amount of detail connected with this phase of the work of the Corporation.

The Corporation is responsible for every phase of the pension program of the conference, including Reserve Pension Fund, Permanent Fund and Conference Claimants. For the promotion and execution of this program the Corporation set up a budget which was approved by the Conference totaling \$10,860.00. The items of the budget appear on page 144 of the journal of 1949. The expenditures for the seven month period, October 1, 1949 through April 30, 1950 are as follows:

Salary (Executive Secretary)	\$2,916.62
Office Assistance	88.92
Travel (Executive Secretary)	749.91
Rent	700.00
Corporation Travel and Expense	211.23
Insurance and Bonds	87.50

Printing	369.96
Postage	134.74
Office Expense	105.24
Salary (Sect. Bd. of Conf. Claimants)	250.00
Expenses of Treasurer	175.00
Amount set up in budget for period	\$5,939.75
Amount of expenditures	6,335.00
Balance for period	\$ 395.25

Reserve Pension Fund

The collecting of the outstanding pledges to the Reserve Pension Fund continues to occupy an important place in the work of the Corporation. If our program is to succeed we must see to it that these pledges are paid in full. To do less will mean that our work will suffer in proportion to the loss sustained. Those who have been concerned with the collection of funds during the past seven months know too well the difficulties which have been encountered. Great areas of our Conference have been disrupted by economic unrest and labor disputes. Many of our people have been without work and they have not yet recovered, while others are working one and two days per week.

Coupled with this has been the competition of other urgent and necessary appeals and campaigns. In spite of these difficulties there has been no evidence that our pastors or people have any intention of doing less than they have obligated themselves to do. The District Superintendents have been loyal and co-operative. The Lewisburg District has paid its obligation in full, while the report below will show that others are within sight of victory. The remaining five weeks should show decided increases in payments to the fund. To date we have collected \$911,980.70 which amount is accounted for as follows:

<i>District</i>	<i>Apportionment</i>	<i>Subscribed</i>	<i>Paid</i>	<i>Per-centage</i>
Beckley	77,144.72	79,953.87	71,378.24	89.27%

Special			1,275.00	-----
Totals	1,077,637.34	1,059,720.97	911,980.70	86.06%

It is certain that we must give special attention to this unfinished task in the months ahead. To that end appropriate recommendations appear under the proper section of this report.

Conference Claimants

The Conference Journal of 1949, pages 145-146 records the results of a study made by this Corporation at the request of the Conference. It is not necessary to go into the details of that study again. It is sufficient to state that the facts revealed are more pertinent now than at the time the report was made. Further the Corporation made certain recommendations relative to an increase in the assessment for Conference Claimants. The Conference deferred action on the recommendations, with the understanding that these, or similar recommendations would be considered at the session of 1950.

That the members of the Conference may be informed of the needs in this field we present below an approximate budget for 1950-1951. It will be understood that some of the amounts and figures are estimated, though they will not change materially. The budget is estimated on the payment of a rate of \$23.00.

ASSETS:

Balance:

Distribution Fund\$ 13,876.71

Expenses		3,258.00
		\$165,235.19
		151,588.27
Deficit		13,646.92

It will be readily seen that there is no possibility of paying a rate of \$23.00 unless some way can be found to increase the income of the Corporation for this purpose. Not only so, but the situation will grow progressively more acute for a decade. It must now be recognized that we face two certainties, either we shall be forced to reduce the rate or find new sources of revenue. To say, at the present, that the Corporation will be able to stabilize the rate anywhere above \$23.00 would be making a prediction which is unlikely to be borne out by subsequent circumstances. However that may be, it is quite possible to make provisions which will give stability to the program and security to the Conference Claimants.

We need, in order to give a minimum of stalbalization to this program, \$50,000.00 per year in new money. Of course this would mean increasing the assessment for conference claimants to a flat 15% of

the pastor's salary or a graduated scale with an 11% minimum and a 19% maximum. The actual proposals are somewhat less than either of these.

The recommendations will appear in the proper section of this report.

Permanent Funds

The Permanent Fund continues to be a productive and growing source of income. The earnings through April 30, 1950 amounted to \$7,081.56. These earnings will be placed in the distribution account and will provide approximately \$1.00 per service year to every Conference Claimant. The report of holdings in this account reveal that our investments are in a healthy and liquid state. The Kanawha Valley Bank and Trust Company is employed as agent of the Corporation. The total assets in this division have shown a healthy growth during the present fiscal period. The report which follows will indicate the amounts and the sources.

It is difficult to state, with any degree of accuracy, what the Corporation may expect in the way of increased assets in this division. There are outstanding accounts in the process of settlement which amount to \$3,500.00. The experience of the past would seem to indicate that there will be a rather constant flow of gift and bequests. These, of course, will increase as time and opportunity permits a wider cultivation of the field.

The corporation feels that, while this is a productive and promising source of income, no intensive work should be contemplated until the Reserve Pension Fund Campaign is completed, however constant approaches are being made and the future promises fine returns. Our people are greatly interested in this phase of the program.

2. RESERVE PENSION FUND:

We recommend:

(a) That every effort be made to complete the payment of pledges to the Reserve Pension Fund by November 30, 1950.

(b) That the month of November be set aside as a time in which the attention of the entire conference is focused on this important matter.

(c) That we urge a 100% observance of the Day of Remembrance on the third Sunday in November (November 19).

(d) That suitable literature and publicity material be prepared

for the observance of the Day of Remembrance and that the cost of the same be paid from the receipts.

3. CONFERENCE CLAIMANTS:

We recommend:

(a) That since this Annual Conference eight months ago directed the Board of Pensions to make "Further study" to explore other possibilities for financing Pensions, and

WHEREAS:

From this year's report it is self-evident that no such study has been made, or at least it has not been submitted to this session of the Annual Conference and consequently this session has no comparative basis upon which to make a decision and,

WHEREAS:

There are other methods already proved and successfully operating in other Conferences, such as

(1) Our own former method of direct apportionment on Pastor's salary alone, with no Executive Secretary, thus saving approximately one dollar (\$1.00) per service year for claimant, which method, with a graduated scale is now used by the Baltimore Conference, and

(2) The North Indiana method which is a combination of a certain apportionment on the pastor's salary plus a flat apportionment on each active church member, and

(3) The method of the Ohio Conference which paralleled our own Pension Fund Campaign and now which employs an executive secretary as a field man who, in the past ten years has raised by voluntary gifts support for Conference Claimants at the average of \$100,000 per year, and

WHEREAS:

Paragraph 802 of the Discipline provides that each Annual Conference shall determine for itself whether such shall be raised by percentages on current cash salary or by "some other method."

Therefore, the following amendments to section 3 (a) of the Recommendations in the Pension Fund Report on page 70 of "Boards and Committee's Reports" are offered:

(1) That the apportionment on the pastor's salary for Conference Claimants be eleven (11) percent and that further study of one year be undertaken by the Board to determine the most practical methods to be employed in the future with particular respect to method 3 as used by the Ohio Conference and as set forth above.

(2) That there shall be an apportionment on the minister's salary for pensions as follows:

(a) 2% of the average cash salary (as set by the General Conference) which shall be for the Reserve Pension Fund and sent to Chicago.

(b) 1% of the pastor's total cash salary for present distribution. The same shall be sent to the conference treasurer.

Provided that the total payment of a minister for the Reserve Pension Fund and Distribution Fund for Conference Claimants shall not exceed 3% of the total cash salary of the minister. (See Discipline Paragraph 1612, section 4).

(b) That Pension Funds, Incorporated be authorized to draw from the Stabilization Reserve an amount necessary to maintain the present rate of \$23.00 for the ensuing twelve months.

(c) That when authority to transfer funds from any reserve account is given to Pension Funds, Incorporated, the said transfer shall not be made until needed for distribution. (Note: This recommendation, if adopted, will allow such funds to remain on interest until needed.)

(d) That Pension Funds, Incorporated continue to study the facts related to our growing pension responsibility, and make recommendations concerning a minimum rate, and the approximate amount which shall be placed yearly into Stabilization Reserve.

(e) That the West Virginia Conference recognize pension responsibility of A. H. Rapping for the period September 13, 1920 to January 1, 1938.

(f) That the service of M. H. Branham, deceased, be recognized and that his widow, Mrs. M. H. Branham, be placed on the roll of Conference Claimants. (Par. 1630: 17) (This requires a two thirds vote of the Conference.) Note: The service Record reveals ten years as an effective and two years as a supply.

CONCLUSION:

Thus we present an account of our stewardship in a field close to the heart of many people. The responsibility for the welfare of our retired preachers, their widows and dependent children is not an elective, it is required. We dare not do less than our best, we dare not fail. To do less than our best will jeopardize the future and bring suffering and penury to those who have been our benefactors. We are today, through God's Grace, what they have made us.

Pension Funds, Incorporated, is but your agency in doing the things you, as a conference, want done for our Conference Claimants. With your support and encouragement we can provide adequate care and security, without such support and encouragement we can do nothing.

For all the loyal friends who have rallied to the cause we are thankful. We have found hundreds of supporters in every place and are convinced that most Methodists are willing to share this responsibility when properly approached. To that end we covet your prayers and solicit your loyalty.

Respectfully submitted

THE COMMITTEE ON RESOLUTIONS

Once again we come to that portion of the Conference that is dedicated to the expression of thanks for a multitude of kindnesses rendered to this the Twelfth Session of the West Virginia Annual Conference of the Methodist Church, meeting in the Municipal Auditorium of the City of Charleston from June 8th. through 11th., 1950.

It is a tremendous task to administrate and minister to an annual conference, however, Charleston Methodists are never found wanting and its committees: The General Committee under Dr. Frank L. Shaffer, the Program and Public Worship Committee under Dr. Joseph C. Hoffman, the Housing and Entertainment Committee under Dr. John Hollister and the Arrangements Committee under Dr. Lacy Burns all did splendid service. These committees made up of laymen and ministers worked with great efficiency to make this first Spring Conference profitable and significant. It is no easy task to serve the representatives of a quarter of a million Methodist people.

We desire to thank the fine laymen ushers under Brother John Belasco and the choirs and singers provided by the churches for the evening services, as well as to thank Brother Charles C. Greybill in his guidance of the music for these past days. We wish to thank the Young Floral Company for their flowers, the Woodrum Home Out-fitting Company for the use of the Wurlitzer Organ, the Diamond Department Store for the stage decorations and the Remington Rand Company, the S. Spencer Moore Company and the Burroughs Adding Machine Company for greatly needed office and business equipment to properly carry forward the tasks of efficient administration. Add to this our gratitude to the churches for the various banquets served during this conference to our complete comfort and delight.

It is our pleasure to note the wide appreciation of this gathering over the space given this conference by the two daily papers of this our State Capitol, The Charleston Gazette and the Charleston Daily Mail. Their coverage has been the best ever given an Annual Conference of the Methodist Church in this city and has created a reservoir of goodwill that will be carried the entire length and breadth of our beloved West Virginia.

It is our resolve to include in this report a word of thanks to St. Marks Church and to Dr. and Mrs. A. E. Bennett, not only for the gracious moments of Holy Communion at St. Marks Church but for the hospitality of the parsonage and the tea given in honor of Mrs. Lloyd C. Wicke, delegates and visitors by the Woman's Society of Christian Service.

It is our further desire to thank the Methodist Publishing House for its fine display of books and pastoral aids, as well as, the splendid service given by Manager George C. Pask and his helpers. In addition we are grateful for the words of encouragement and challenge brought by Bishop Titus Lowe on behalf of the Methodist Commission on

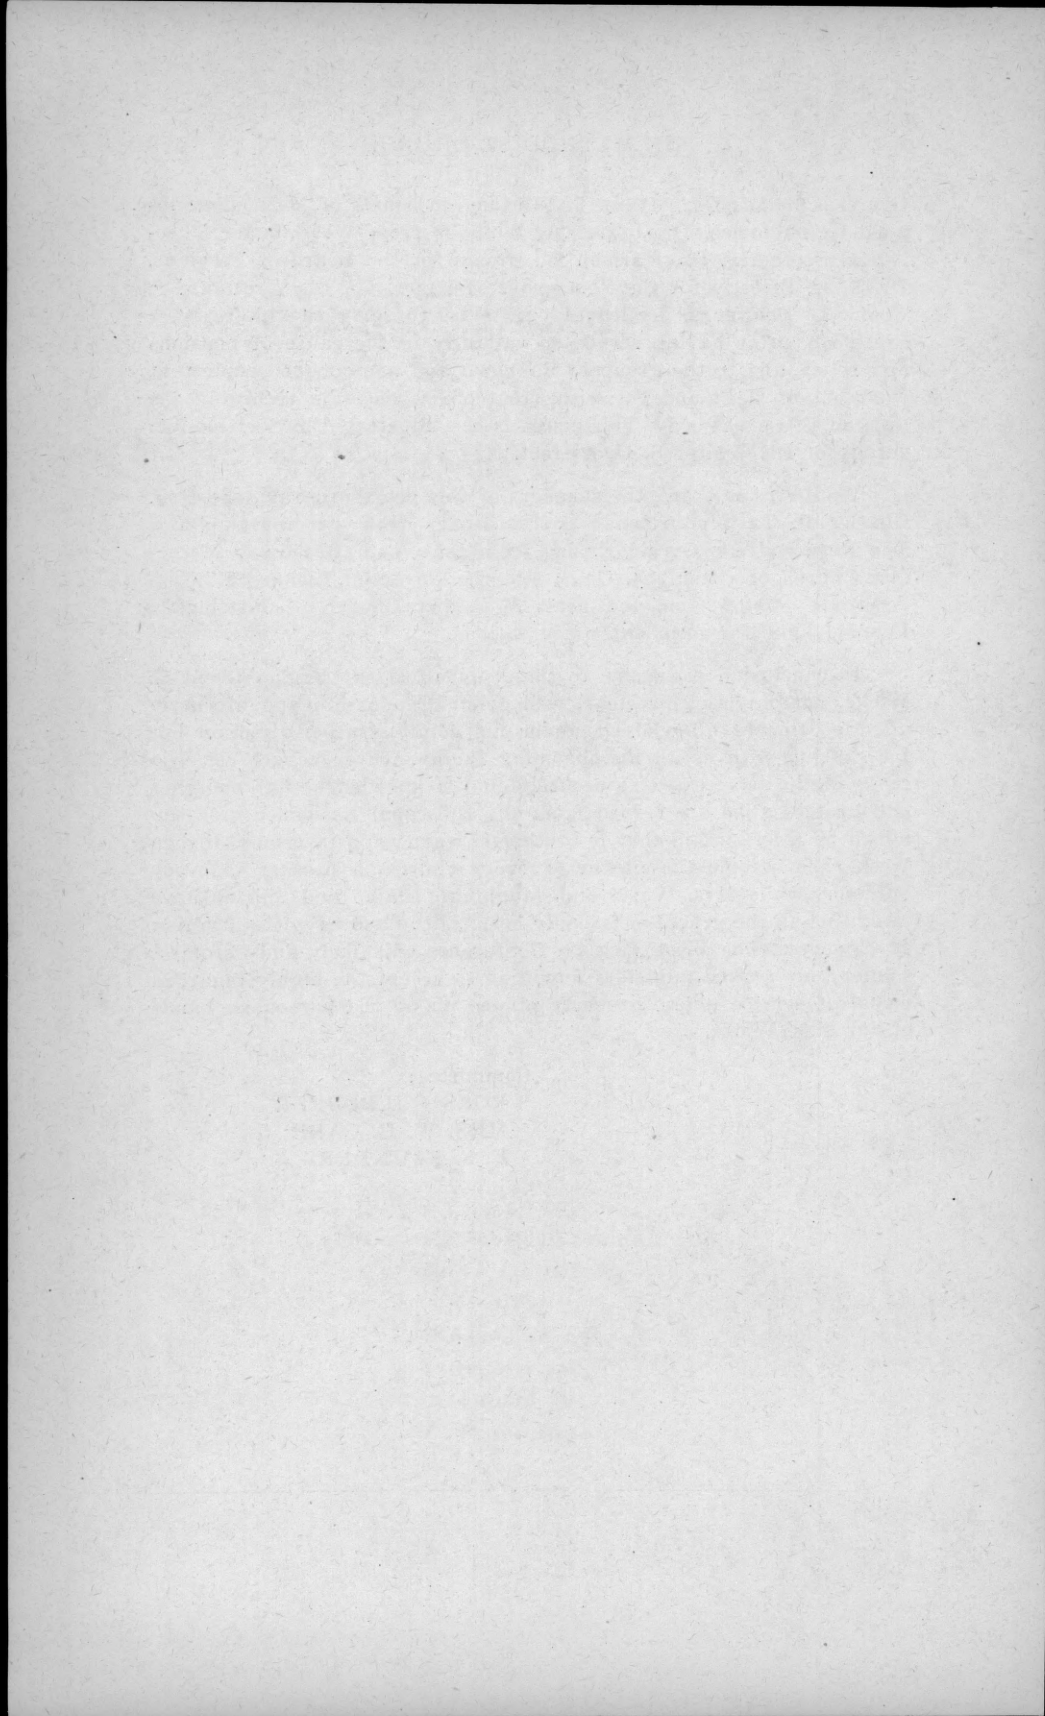

Overseas Relief, Dr. Arthur T. Whitney on behalf of Methodist supported Seminaries, Dr. Lester A. Welliver from Westminster Theological Seminary, Dr. Harmon W. Brown for the Board of Pensions, Dr. L. K. Priestly for the Temperance League of West Virginia, Dr. Frank L. Shaffer as he leaves our midst to serve the interests of education, after having served so valiantly in the cause of pensions and relief, and to the group of unknown and anonymous people that work out of sight and yet with great effectiveness in recording the work of this great body. This group is best illustrated by the tide-like energy of Dr. Walter S. Overstreet.

We desire to thank the speakers of this years program, the Hon. Charles P. Taft, churchman extraordinary from Cincinnati, Ohio; The Reverend Dr. Gerald Ensley from the North Broadway Methodist Church of Columbus, Ohio; and the Reverend Richard R. Gay, Associate Pastor from the First Methodist Church of Pittsburgh, Pennsylvania for excellent presentations.

In conclusion we desire to thank our Resident Bishop Lloyd C. Wicke, not only for his clear, well defined leadership and brotherly affection toward all who sit under his administrative direction but for sharing with us all his charming family. Never have West Virginia Methodists rested so securely in the knowledge that churches and pastors alike are served from the Episcopal Residence in Pittsburgh by a leadership that is brotherly, warm, and informed. Bishop Wicke has become the pastor of every church, a brother to every minister, while Mrs. Wicke and daughters, Elaine and Shirley have taught us all the graces of friendly hospitality flavored with Christian graciousness. The West Virginia Conference will likely find its oldest soldiers our retired ministers unwilling to accept the highly regarded medal of service unless properly pinned on by the parsonage hands of our Mrs. Wicke.

THE BOARD OF TEMPERANCE

The time has come for West Virginia Methodism to assert itself in a definite manner, regarding its attitude toward the question of the liquor problem. There are too many evasions of this issue by leaders, even by ministers of the Methodist Church. It is generally known that many in our churches who profess to be Christians are social drinkers, which is not only a disgrace to them but to the churches to which they belong. There is an acute misunderstanding of the meaning of the attitude of historical Methodism toward the alcohol evil. From the time of Wesley even until this day, Methodism stands for "total abstinence." To that end our people must be educated. Temperance is not separate from the other qualities which should characterize a Methodist, and when one takes the obligations of Church Membership, he promises to be loyal to its principles. When one accepts ordination as a Methodist pastor, he assumes the duty of carrying out its program without prejudice or reservation. Our pastors must observe the recommendations of our general board that they preach at least one Temperance sermon yearly and that they observe Commitment Day, giving everyone an opportunity to sign the pledge suggested by our general board. To that end, all must comply or acknowledge failure to the historic policy of Methodism.

In a meeting of all Presidents of the Boards of Temperance of the United States held in the beautiful Methodist Building in the shade of the Capitol of the United States, our position as Methodists was clarified by Bishop Wilbur Hammaker, Executive Vice President of the General Board when he reminded delegates of their obligation to observe Commitment Day in spite of the fact that members of the official boards held positions in the liquor industry and habitually used alcohol in their social functions. Among our objectives should be listed: A greater enlistment on the part of Christian people in the fight against the liquor traffic, Legislation that will deal effectively with the problem, and the teaching of total abstinence as the only possible attitude of a Methodist layman or minister, education of our youth as to the evils resultant from this evil and prayer for the eventual abolition of the liquor traffic from society.

We desire as a Conference to record our grateful recognition of the work and success of the Temperance League of West Virginia during the past year under the capable direction of the Rev. L. J. Priestley, Superintendent and the Rev. Brown McDonald, the Educational Director. We pledge our wholehearted support for the coming year.

Due to the confusing situation and problem of great concern in many colleges—and to all young people in general, and in order to help gain a scientific and better understanding of the Problems of Beverage Alcohol and Modern Life; to seek and discover an objective basis from which to make intelligent decisions as to personal

and social attitudes; to develop thinking and education toward constructive service; to advance the ideal of a normal, healthful life, free from dependence upon Alcohol; to open opportunities for service toward solution; your Board recommends that there be sent several young men and women to some of our intercollegiate schools of alcoholic studies for training. This year, one such person was sent with expenses paid by our general board, with the understanding that this person would teach in assemblies and camps during the summer. We heartily commend this plan but would urge that the Board be privileged to offer scholarships for others, depending upon funds which might be available.

For a special project this year, your Board desires to offer the sponsorship of Temperance Signs on the highways of our state. Too often the Temperance Committee of the local churches do little or nothing. Not only would sponsorship of this sign program, give this committee a project to work upon, but it would do much good in counteracting liquor advertising.

Because your Board is handicapped, by lack of finances and lack of provision for travel, tuition for scholarships, we hereby urge that some provision be made by the Conference for these items. In many conferences this is done by money received from Commitment Sunday, in others through money received from the regular World Service offerings. Many churches received an offering on Commitment Sunday last year, but this was sent to other sources. In many cases this offering was sent to the Conference Treasurer for use of the Board of Temperance. We urge the release of such monies that they may be used for the work in West Virginia Methodism.

The Board of Temperance also asks that the nominating committee in naming members to the Board shall consider placing people who are vitally interested in the matter of temperance. We also ask that this year in each district there be appointed a Secretary of Temperance to carry out the work of the Board in each of the various districts under the direction of the Conference Board. These could be recommended by the District Superintendents of each district and would serve in similar fashion to the Secretaries of Evangelism. Such a person would facilitate the work of the Board in dispensing information and in collecting data.

A report from the observance of Commitment Day follows:

REPORT OF COMMITTEE ON WORLD PEACE

West Virginia Conference 1950

We your Committee On World Peace, of the West Virginia Annual Conference, beg to submit the following report:

I. The General Conference Report of 1948.

It is our opinion that the general statement on World Peace, adopted by the General Conference of 1948, as stated in paragraph 2025 of the Discipline 1948, is difficult to improve upon, and should be given careful study by each and every minister and layman, and leaders of various groups, throughout the Conference. We earnestly call upon all ministers, lay leaders, and local or Quarterly Conference committees on World Peace, to study this statement and make it a basis for sermons, study groups, and discussions in Sunday School classes and other organizations of the local churches. We request District Superintendents and pastors to see that Quarterly Conference committees on World Peace, as directed by paragraph 148, section 7, of the Discipline, be set up and be made to function. If we are serious in wanting peace in the world then let us be more active in the things that make for peace.

II. The Church And War.

The Christian Church should not remain complacent in the present world situation. If we were literally at war we would be preaching sermons, urgent in discussion groups, and throwing the weight of our influence in every way possible to win. Why not be as enthusiastic and active to win the peace? The church has a divine obligation to witness with prophetic vigor to God's righteous love for all mankind and to support positive steps which give evidence of reality to Christian world fellowship.

WHEREAS another world war would engulf all humanity in utter misery and mass destruction, we call upon our government to use every possible means of avoiding war and to cooperate with other nations to secure the peace of the world. We believe the United Nations organization, notwithstanding some imperfections, best to provide the technique for the peaceful settlement of disputes and should

be given full support and encouragement by the American people. We commend to the churches wider study of the structure of the United Nations organization, with confidence in its potential usefulness, and the undergirding of its delegates with prayer and moral support in their efforts to create a functioning international organization for peace and justice.

BE IT RESOLVED that we are as much opposed as ever to any kind of peace time conscription. We reaffirm the position of the General Conference of 1948 as stated in the following: "Seven church-wide organizations of the Methodist Church, led by the Council of Bishops, have declared their opposition to any system of peacetime universal military training. We appeal to the United States to give bold leadership looking toward the universal abolition of peacetime conscription."

We are opposed to the stock-piling and use of such diabolical instruments of destruction as the atomic bomb, the hydrogen bomb, and other biological weapons of aggressive warfare. We call upon our government to cooperate with the United Nations in outlawing such weapons of destruction. While we cannot question the wisdom of being fully prepared to repel any attack made upon us; on the other hand, we cannot afford to be the aggressor in such methods of material and human destruction. We have no right to be flaunting such inhuman methods of destruction in the eyes of other nations of the world, thus stirring up hatred, suspicion, hysteria, and the mad race to counter retaliation by other nations finding such diabolical methods to destroy us.

WHEREAS the peace of the world can best be assured by open covenants openly arrived at, therefore we disapprove of any deceptive or secret diplomacy on the part of our leaders that might involve us in war. We feel our people have a right to know what our leaders are doing in any international situation. We feel that our President and other national leaders should lay partisan politics aside and cooperate fully for the peace of the world. If perverse persons are in our state department, as some have indicated, our president and congress, with full cooperation of our political parties, should cooperate for a thorough purging, and that our international affairs be kept clean and above board, so that we can have the confidence of our own people, and the respect of all other nations.

BE IT FURTHER RESOLVED that the local church or quarterly conference committees on World Peace secure literature from our General Conference Commission On World Peace and distribute it throughout our church membership and constituency; make use of audio-vision, drama, or other methods of disseminating peace information, and that each pastor preach on peace at least once a year, and that one Sunday at least be given to the observance of peace. That all our people pray and work for peace in every possible way. Let us try to understand the peoples of the world; study the causes

of war; and try to prevent wars by removing the causes. In the language of St. Paul, "Let us therefore follow after the things that make for peace, and things wherewith one may edify another." Roman 14:9.

Respectfully submitted,
E. L. LOWERY, Chairman
W. R. ESKEW, Secretary.

VII. MEMOIRS

J. H. FUNK

Rev. J. H. Funk left for the city for which he had often expressed a "Home-sickness" April 3, 1950. For some months he had constantly declined but he was sick only four days. Funeral services were held at the First Methodist Church, Clarksburg, W. Va., April 6, 1950. In compliance with his prearranged plans, Dr. W. S. Patterson, District Superintendent, Rev. L. L. Reckert, minister of the Adamston Church and John E. Hanifan, conducted the funeral service and his body was buried in the Greenlawn Cemetery.

Rev. Funk was born in Taylor County, West Virginia, August 23, 1862. He was a son of Amos and Nancy Thomas Funk. He is survived by his widow Mrs. Minnie Wells Funk, two sons, Paul of Columbus, Ohio and Colby of Clarksburg, West Virginia. One grandson, David Lee Funk, a favorite of his grandfather, preparing for the Christian Ministry; and one granddaughter, Mrs. Richard Knight.

Rev. Funk entered the ministry of the Methodist Church in 1892, and served effectively and faithfully for thirty-five years. During his pastorate the St. Andrews Church in Parkersburg, was dedicated and the following churches were built: Ziesing, Mountain Lake Park and Deer Park.

Though he retired from the "effective" ranks several years ago his interest in the work of the church never waned. Like the Master whom he devoutly followed, "He went about doing good", visiting the sick and sorrowing, preaching often at Sunday School and Worship every Sunday and prayer meeting on Wednesday night.

Death was for him a coronation event. He requested that the concluding hymn of the funeral service be "All Hail the Power of Jesus Name" and that the entire congregation rise and sing it joyously and victoriously. This was to be a day of coronation, a day of victory, a day of rejoicing, a day of great celebration.

Of no one could the lives of Roselle Mercier Montgomery be more aptly and accurately spoken:

ON THE DEATH OF AN AGED FRIEND

*You are not dead—Life has but set you free!
Your years of life were like a lovely song,
The last sweet poignant notes of which, held long,
Passed into silence while we listened, we
Who loved you listened still expectantly!
And we about you whom you moved among*

*Would feel that grief for you were surely wrong—
 You have but passed beyond where we can see.
 For us who knew you, dread of age has past!
 You took life, tiptoe, to the very last;
 It never lost for you its lovely look;
 You kept your interest in its thrilling book;
 To you Death came no conqueror; in the end—
 You merely smiled to greet another friend!*

—Roselle Mercier Montgomery.

W. M. PATTY

Reverend William Monroe Patty was born in Buncombe County, North Carolina, July 2, 1862, and was brought by his parents to Greene County, Tennessee when he was two years old. In 1901 he was appointed as supply pastor of the Stony Point circuit, in Springs City district.

He was admitted on trial in Holston Conference in 1902 and was ordained as a local deacon by Bishop H. C. Morrison. He was received into full connection in 1905, and was ordained elder in 1907 by the same bishop at Bluefield, W. Va.

Rev. Patty was in active service for twenty-two years during which time he served charges as follows: Parrottsville, Clintwood, Tazewell, Va., Burks Garden, Bluff City, Abingdon, Cedar Springs, Tazewell, Tenn., Epworth, Concord and Alcoa. He was married on Dec. 2, 1885, to Miss Minnie Bushong, whose ancestors, for five generations, had lived near Parrottsville. They had five children: Rev. Graydon K. Patty, who died quite young; Mrs. Ruth Walker, of Knoxville, Tenn.; Mrs. Elbertine Stephenson, of Reidsville, N. C. The tender affection of these sons and daughters is a splendid tribute to the love and devotion of the parents. Mrs. Patty died at Daytona Beach, Florida, and was buried at Harned's cemetery near Parrottsville. He was married a second time to Miss Joan Arnand, of Green Cove, Florida, on Nov. 3, 1940.

Rev. Patty was superannuated in 1925 and lived in Knoxville for several years. In 1931 he went to Florida where he lived at the Penney Homes where he died on September 15, 1949. He was buried at Harned's cemetery, near his boyhood home, in Greene county.

GEORGE B. STEWART

George B. Stewart was born April 5, 1868 in the State of Maryland. On April 4, 1895 he married Annie B. Zinn. He departed this life November 11, 1949.

He entered the ministry of the former Methodist Protestant Church in 1893, and among the charges he served were: Harrisville, Watson, Burnsville, Mount Morris, and West Morgantown. At the time of his death his membership was attached to the Spruce Street Methodist Church, Morgantown, W. Va.

THOMAS HENRY TAYLOR

Thomas H. Taylor was born in Upshur County, West Virginia, December 9, 1877. He died at the home of his son, Don C. Taylor, at Marlinton, West Virginia, January 1, 1950.

He was married to Margaret C. Francis, November 20, 1901. To them were born seven children, two of whom died in infancy. The surviving children are—Owen A. Taylor of Bluefield, West Virginia; Mrs. Anna Wilfong of Baltimore, Maryland; Mrs. Mary Perry of Cheshire, Ohio; William C. Taylor of Fredericksburg, Ohio; and Don C. Taylor, pastor of the Methodist Church at Marlinton, West Virginia. His wife preceded him in death five years, both dying on the first Sunday of January.

During early manhood he was converted at the Canaan Methodist Episcopal church in Upshur County. He was dedicated to the Christian ministry by his parents at his birth. In 1912, at the age of 35, he accepted God's call to the ministry. He was admitted to the West Virginia Annual Conference of the Methodist Episcopal Church on trial in 1913 and in full in 1915. His first charge was the Olivet Circuit in Greenbrier County which he served from 1912 to 1913. For thirty-four years he served as pastor of a number of charges in the West Virginia Conference, retiring from the Etam Circuit in 1946.

His retirement was not cessation from work. For the following three years he taught in Church Schools, preached, and served in any capacity in which he had opportunity.

After suffering for six months from a severe heart condition, he died suddenly. Funeral services were conducted at the Marlinton Methodist Church by Rev. Clyde Hensley, Superintendent of the Lewisburg District. Interment was in the Vandalia Cemetery in Lewis County.

D. F. WYRICK

Rev. D. F. Wyrick was born at Speedwell, Virginia, April 26, 1876. He attended schools in Wythe County, Virginia, normal school at Wytheville, and Princeton Military Academy, Princeton, West Virginia. July 31, 1897 he was licensed to preach, and for four years he was engaged in evangelistic work.

In the month of October, 1903, he joined the Holston Conference. During his itinerant ministry he served the following charges: Limestone, Tennessee; Floyd, Virginia; Auburn Circuit, Louisville, Tennessee; Clintwood, Virginia; Strawberry Plains, Tennessee; Lincoln Park, Knoxville; Montcalm, West Virginia; Loudon, Tennessee; Mosheim, Tennessee; Cedar Springs, Virginia; Castlewood, Virginia; Tazewell Circuit, Virginia; Springton, McDowell and Kincaid, West Virginia. He retired from active ministry September 21, 1948.

Brother Wyrick spent fifty-one years in the active ministry of the Methodist church. He was a fervent evangelistic preacher who presented his message with power, effectiveness and love. During his ministry he held the amazing total of 289 revivals. No one could estimate the tremendous good done by such great zeal and tireless labors for the kingdom. Men such as he, with their passion for souls and indefatigable labors, are the ones who made our church great. He has gone on to reap lasting rewards for his momentous work for the kingdom.

He is survived by his wife, the former Anna C. Wheeler, to whom he was married on August 5, 1903. He is survived by the following children: Anna Jackson Kinser, Mary Lee Cornett, Della Belle Banks, William W. Wyrick, David F. Wyrick, Jr., Elizabeth Dukes Harler, Katherine Verna Wassum.

JOHN WILLIAM IDLEMAN

Brother John William Idleman was born at Mt. Storm in Grant County, October 13, 1870 and died in a hospital at Clarksburg, April 12, 1950, aged 79. He was the youngest in a family of eight children. The father was Jacob Rush Idleman whose father in turn had come from Germany at the age of six. Brother Idleman's mother was Sophia Christina (Thomas) Idleman who was a native of Mineral County. The seven older brothers and sisters were: Rev. Samuel Scott, Charity Victoria Neville, Rev. Edward Porter, David Wesley, Sarah Margaret, Francis Obadiah and James Junkins. Mrs. Neville and Francis are still living.

Brother Idleman married Edna Edith McNair. They had four children: Jessie Margaret, who married Guy L. Ashby now living at Bridgeport, Clyde McNair, a teacher at Charleston, Oran Glenn, electrician at Scarbro, and Ruth Elizabeth who married Robert J. Dunbar, now at Shinnston. Brother Idleman had thirteen grandchildren and five great-grandchildren. One of his grandsons is Hugh Ashby, a young man in our own Conference. Sister Idleman died September 11, 1947.

Like two of his brothers, Brother Idleman entered the ministry, but he was well past forty years of age when he began to preach. He became an ordained local elder and an accepted supply. He served Upper Tract, Corinth, Proctor, Petroleum, Durbin, Eagle Rock (Virginia,) Boulder, Rosedale, Gaines, Cottageville, and Lockhart.

Since the death of his wife Brother Idleman had made his home most of the time with the Dunbar's at Shinnston. He took an active part in the affairs of Shinnston First Church and many said that when he prayed in the Sunday morning service, they felt that they were glimpsing a bit of heaven. Through his evangelistic efforts Brother Idleman had won many converts to the Christian life.

Funeral services were conducted at Shinnston by the ministers of that vicinity and burial was at Bridgeport.

MRS. EMMA ELLEN WARD

Mrs. Emma Ellen Ward, wife of Rev. I. M. Ward, died at her home in Smithburg, W. Va., March 3, 1950. She was born in Harrison County December 31, 1879, the daughter of Nelson and Rebecca Yates. She was married to Rev. I. M. Ward, October 8, 1903. To this union were born three boys and two girls.

She was a good, faithful servant of her Lord and Saviour, and untiring in her devotion to her family, her husband, and to her church. When sacrifices were to be made she was most willing to make them. She lived for the most part on "The Sunny Side of Life." If there were rough places in life's pathway she pursued the even tenor of her way, without murmur or complaint. In going she leaves her husband, Rev. I. M. Ward, and the following named children: Irtha K. Ward, Boston, Mass.; Mrs. Sara R. Tucker, Cleveland, Ohio; Mrs. Dorothy E. Strickler, Dundall, Md.; Richard D. Ward, McKeesport, Pa.; and Rev. Paul M. Ward, Cleveland, Ohio.

*"The blessings of her quiet life
Fell on us like the dew;
And good thoughts where her footsteps pressed
Like fairy blossoms grew."*

Funeral services were held in the West Union Methodist Church, March 25, 1950. The pastor, Rev. C. S. DeBar was in charge of the

service, assisted by Rev. C. E. Ruble, Smithburg, W. Va., and Rev. W. W. Sutton, Buckhannon, W. Va. She was laid to rest in the Masonic Cemetery, West Union, W. Va.

MRS. MORDECIA ELVIRA HINZMAN KELLEY

Daughter of Marcellis and Elvira Hinzman. She was born on Buckhannon Run in Lewis County March 6th. 1867. Converted at an early age, Mrs. Kelley was a life long member of the Methodist Church.

She was married to F. T. Kelley October 31st. 1890, who several years later was admitted to the Conference of the M. P. Church. Mrs. Kelley shared the joys and the sorrows, as the wife of an itinerant pastor, for thirty-three years.

Mrs. Kelley was of a retiring nature but always made many friends wherever she lived, and was known to the young as "Grandma Kelley."

In the last several years of her life she was in bad health, and her death was hastened by a bad fall. She passed away at 5 p.m. September 6th. 1949, at a Grafton Hospital, at the age of 82.

She is survived by her husband, the Reverend F. T. Kelley, a retired Methodist minister; two grand-daughters and three great-grand-children, one brother, Thomas Hinzman of Weston, and three sisters: Mrs. M. A. Davidson of Vadis, Mrs. T. W. Rogers of Jane Lew, and Mrs. Clara Brannon of Buckhannon. She was preceded in death by a foster-son, Okey Lester Kelley, June 21st. 1938. She had resided in Flemington for thirty-one years. She is buried at Fairview I.O.O.F. cemetery on Hackers Creek, Lewis County.

LUMMA BELLE HARRIS

Mrs. Lumma Belle Harris, wife of Rev. L. C. Harris, was translated from the Parsonage Home of Newburg, W. Va. to the Home on High, February 20, 1950. She was born February 5, 1886 in Calhoun County, daughter of Cassit and Emma Starcher Booker. She was united in marriage to Rev. L. C. Harris December 9, 1903. The union was blessed with eight children: five survive—Cecil O. Harris of Parkersburg, W. Va.; Mrs. Orva M. Cruse of McKeesport, Pa.; Mrs. Ora L. Shivers of Washington, D. C.; Williard J. Harris of the U. S. Navy; and Lewis C. Harris, Jr., at home. Also surviving are: one brother—G. C. Booker of Sowyewood, Ohio; two half sisters—Mrs.

J. L. Kerr of Clover, W. Va. and Mrs. E. J. Boroody of Richmond, Va.; ten grandchildren; and one great grandchild.

Mrs. Harris gave her heart and her life to Christ in her early life and lived a beautiful consecrated life. When her husband entered the Ministry of the Methodist Church she gladly, and willingly, entered with him, and gave herself unreservedly to the services of the Church. Together they served the following charges: Mt. Zion, Wall-back, Arbovale, Cowen, Summersville, Beverly, Webster Springs, Lewis Circuit, Brandonville, Avery, Lake Lynn, and Newburg.

In all of her thirty-five years of service in the various charges, she brought happiness, comfort, and courage to the people she served. She found a way to reach the hearts of people and wherever she went she soon had a host of friends. No human mind can measure, or no human tongue can express, the good she lived and did.

Funeral services were conducted February 22 at the Newburg Methodist Church at 10:00 A.M. with Doctor W. E. Craig, District Supt. of Fairmont District, in charge, assisted by Rev. E. S. Wilson, Pastor of Highland Avenue Methodist Church in Fairmont, W. Va. Further services were conducted at Clover, Roane County, W. Va., February 23, 2:30 P.M., with Doctor M. C. Miles, Pastor of Warwood Methodist Church, Wheeling, W. Va., in charge; and internment made in the Clover Cemetery.

MRS. CHARLES E. HAWKINS

Eugenia Lee Hawkins, wife of the Rev. Charles E. Hawkins, was born in the year 1897 at Credo, Wayne County, W. Va. She departed this life on November 11, 1949, at the home of her daughter, Mrs. J. E. Carr of Fairmont, after a long illness.

She is survived by her husband and eight children: George of Detroit, Michigan; Charles Robert of Hawaii; Mrs. J. E. Carr of Fairmont; Richard of Logan; Mrs. Ray Gribble and Lawrence Hawkins of Fairview; Jean and David at home.

The funeral service was held on November 14, in the Meadowdale Methodist Church, with Rev. William E. Craig, District Superintendent, officiating. The pallbearers were local pastors: E. O. McLaughlin, R. L. Moore, E. S. Wilson, A. C. Brown, C. E. Brandt and J. Clair Jarvis.

Mrs. Hawkins was a very devoted wife and mother, the soul of Christian grace and sweetness. She endeared herself to all who knew her, and was highly respected and loved in every charge served. For many years she followed the trail of the Methodist itinerary, sharing with her husband the joys, responsibilities and triumphs of that high office.

MARGARET E. SHULTZ

Margaret Estella Mertz was born November 18, 1878. She was married June 7, 1900 to Rev. James A. Shultz, who was at that time serving in the United Evangelical Church. He joined the West Virginia Conference of the Methodist Church in 1922. Together they served in three pastorates, Monongalia Circuit, Westover at Morgantown and Calvary at Moundsville.

Mrs. Shultz was very active in the work of the church during her husband's ministry and as much as her health would permit in later life. She was an excellent elocutionist and vitally interested in missionary work, giving talks and lectures on the subject. She was loved by many people, and was always thoughtful of others. Her life was dedicated to Christ and all things pertaining to the Master's Kingdom.

Her passing came suddenly on April 17, 1950 at the home of her daughter. Funeral services were held in Pittsburgh and also in the Westover Church at Morgantown where Rev. C. C. O'Neil assisted by Rev. J. Jones conducted the service. Interment was at East Oak Grove Cemetery, Morgantown.

A daughter, Mrs. J. W. Lambert, and a son, John P. Shultz, both of Pittsburgh survive.

tian Service and the Conference Lay Leader shall be an ex-officio committee to make all nominations for Quadrennial Boards, Commissions and Committees, and for vacancies on the same, where the DISCIPLINE does not provide otherwise, and for any such groups to be annually appointed.

"Nominations for trustees of West Virginia Wesleyan College, shall be in conformity to the charter of that institution. These nominations shall be made upon the joint recommendation of a committee consisting of the President of the College, President of the Board of Trustees of the College, Chairman of the Annual Conference Board of Education, and two additional members of the Committee appointed by the Presiding Bishop of the Annual Conference; and these two may be either lay or ministerial members of the Church, or one lay and one ministerial. The Committee is to be constituted at the next Annual Conference session that follows a regular session of the General Conference of The Methodist Church, and it is to be a quadrennial committee.

2. The Secretary and the Statistician shall be nominated quadrennially from the floor of the Conference. The Secretary shall have the privilege of nominating his assistants.

The District Superintendent in each district shall appoint an assistant statistician annually. The assistant in each district shall be known as the District statistician. His duties shall be to receive, correct and tabulate the pastors' reports. The Conference Statistician shall be charged with the responsibility of recapitulating the statistics from the districts and reporting the conference totals to the Annual Conference.

The Secretary and Statistician of the preceding session of the Conference shall serve in the next session until their successors are elected. The incumbent secretary shall also serve as the secretary of the Conference when such officer is needed between sessions.

If for any reason the statistician or secretary cannot serve, one to act in his place shall be chosen by the Bishop and his cabinet to serve until the Conference acts.

3. All debate on the floor of the Conference shall follow the principle of alternate, debate when asked by either side. But, when no speaker on the side opposed to the last speaker is ready, the Bishop may recognize one who desires to speak on the same side as the last prior speaker.

4. The Bishop shall name any special committees whose membership shall not have been provided for otherwise.

5. The Conference Treasurer shall be elected upon nomination of the Commission on World Service and Finance, which shall execute a contract with him, after the same shall have been approved

by the Conference. The Treasurer may be an individual or a bank. No contract entered into shall extend beyond the session following a General Conference.

6. All persons who hold or disburse Conference funds shall be bonded in such amounts as may be deemed wise by the Commission on World Service and Finance. These bonds shall be in good and solvent companies, and the Conference Secretary shall be the custodian of the same.

7. The Salary and expense of the District Superintendents shall be determined by the Conference upon recommendation from the Commission on World Service and Finance. In the same manner, allowance shall be made, also, for insurance and upkeep on District Parsonages. Save for unusual improvements or repairs to be made on these properties, the accounts established for the various items covered by this rule, shall, in each instance, be an equal sum allotted to each district.

8. All authorizations for the raising of money throughout the Conference may be voted upon by the body only after the matter has been considered by the Commission on World Service and Finance and it makes a recommendation thereon or refuses so to do.

9. The Conference Secretary shall be editor of the annual minutes, and shall be a member of the Committee on Publications. This shall be a quadrennial Committee beginning in General Conference years. It shall determine the number of the copies of the minutes to be printed, let the contract after the competitive bids therefore and supervise the distribution thereof. The cost of printing shall be defrayed from the Conference Expense Fund, less any proceeds from sales or gifts. Including the Secretary, this committee shall number five persons.

It shall be his duty to check the printed copy of the Minutes, correct errors, and do or have done, such work as is necessary to secure a high degree of accuracy in the printed Minutes. If additional help is required the reasonable cost thereof shall be a legitimate cost item chargeable to the cost of publication. It shall be his duty to call his committee together for action in time for it to discharge its duties without delaying the letting of the contract, and to consider any large expense account to be incurred. Reports of Com-

mittees, Boards and officers of the Conference must be in the hands of the Secretary not later than the tenth day following adjournment of the Conference, if they are to be printed in the Journal.

12. A retired minister, serving as a supply pastor or in any other service of The Methodist Church, its organizations or institutions, for which he receives a salary, shall not have his annuity reduced by reason of his receiving such compensation, except when such reduction or adjustment is required by The Discipline of the Methodist Church; and then only in the manner and to the extent of the provisions of the Discipline. He may receive Sustentation or Board of Missions Support in such amount as will make his total income, including his annuity equal to, but not more, than the stated minimum salary for accepted Supplies.

13. The apportionments for the Benevolences and for General Administration, to be raised in a district, shall be distributed to charges therein by the incumbent District Superintendent. The bases of such distribution shall be the same as those used by the General and Conference Commissions on World Service for distribution of these funds. But when equity requires, or there is good prospect of securing increased collections, at his discretion, he may vary the amount asked from the exact calculations. However, in no case shall the distribution to charges total less than the amount apportioned to the district. All appropriations shall be in even dollars, less than fifty cents to be ignored and fifty cents or more counting as an additional dollar.

18. The Committee on Conference Program and Public Worship each year shall be composed of the Bishop, the Conference Lay Leader, the host district superintendent and the pastor, the lay leader of the host church and two additional members to be chosen by the Conference Entertainment Committee. 25. Retired ministers under seventy-two years of age may be used as supply pastors only until the next session of the Annual Conference and shall no longer be continued in an appointment unless they return to the effective relation, or unless they voluntarily surrender their annuity for the period of their service.

26. When no standing rule governs procedure, questions shall be settled in accord with Roberts' Rules of Order (latest edition).

27. These rules, with any modifications, shall be published following adoption in the Conference Minutes and in the first issue of the minutes following each General Conference session. They shall appear either in the front or at the close of the Journal.

THE OBJECTIVES of WEST VIRGINIA WESLEYAN COLLEGE

It is the purpose of West Virginia Wesleyan College to be a Christian college of liberal arts in the sense that its total program is motivated by Christian ideals and principles, and is directed toward the development of competent, cultured, Christian persons.

The College seeks to help each student, in the light of his individual abilities, interests, and needs, to become such a person by attaining the following specific objectives:

1. Ability and disposition to read the English language with understanding, and to speak and write it correctly and effectively.
2. Ability and disposition to think clearly, objectively, independently and constructively.
3. Ability and disposition to order one's own life in such fashion as to realize the highest possible degree of health and efficiency of both body and mind.
4. A broad orientation in the liberal arts, — some understanding and appreciation of the content and value of the main fields of learning and of the major problems of human life.
5. Sufficient concentration in some field, or fields, to constitute adequate preparation for graduate study or immediate entrance into some well considered vocation, such as teaching, the ministry, business, industry, etc. Through its program of testing and guidance the College undertakes to help the student to choose wisely his vocation or profession. Through its instructional program it undertakes to help him acquire the knowledge and develop the skills essential to success in his chosen field.
6. Understanding, appreciation, and experience of the Christian religion, — development and practice of a Christian philosophy of life.
7. Ability and disposition to be a good citizen, — to participate in, and assume leadership in, socially constructive organizations and activities; and to foster extension of democracy and development of a worthy cosmopolitanism.
